ARROYO SECO JUNIOR HIGH  
Saugus, California

## DEDICATION

This year's Quest is dedicated to

Mr. William Read, a most sincere and pleasant person. He is a cheerful, hardworking man and as a teacher, dedicated to his profession.

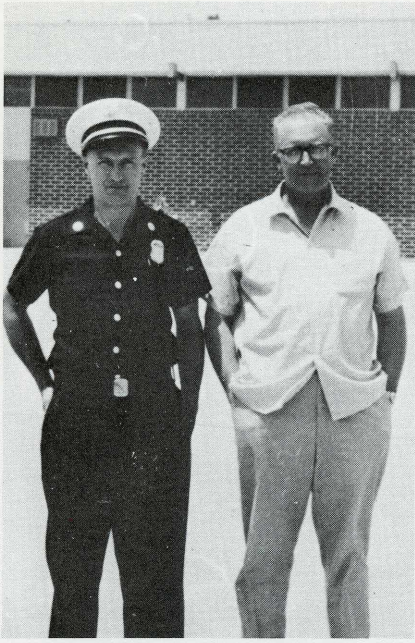

He was born in Pocatello, Idaho but grew up in East Los Angeles. He graduated from Garfield High School and went on to become a Navy Sonar Operator. In 1947, he retired from the service and joined the fire department. He became a captain while with the department and retired with honors after 20 years of service. During his time with the fire department, Mr. Read also attended college at USC and received a degree in Public Administration and Fire Administrator. In 1956, he continued on to get his Master's Degree in Education.

Mr. Read came to the Hart District in 1969 and has taught at Arroyo Seco since.

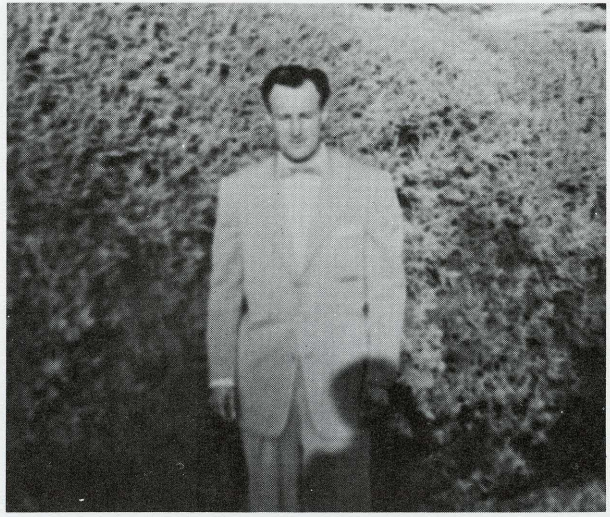

We, the Quest staff, feel that Mr. Read is an individual who through his own ability as a teacher represents the qualities of his fellow teachers.

Thank you, Mr. Read, on behalf of the students of Arroyo Seco.

# A FAREWELL FROM OUR PRINCIPAL . . .

Before wishing each of you a great summer vacation, I first want to thank you for making this past year the fine success that it was. This was a very important year for us - the year we graduated two classes - our last year with ninth graders. Thanks to you it was a fine year.

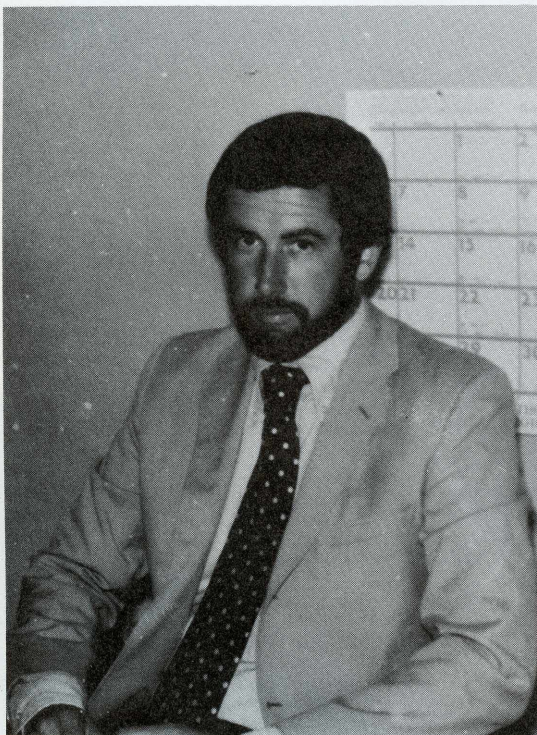

To the seventh graders, I wish you a summer full of fun and relaxation. To the eighth and ninth graders, I wish you the very best in high school. I envy you as you have a great opportunity to make your new school the type of school you want it to be. You'll be setting the traditions for future students to follow. I'm sure you will do well.

On behalf of the entire staff at Arroyo Seco, I wish everyone an outstanding summer.

## Advisor's Thankyou

It is my pleasure to say that this years Quest is probably the best yearbook that Arroyo Seco  
has ever had I am also happy with the efficiency displayed by this fine group of young people  
The quality of this yearbook certainly shows that their work was well planned and organized I  
know that all students of Arroyo Seco will be proud to show their yearbooks to anyone!

To the 1975 Quest staff I say thankyou, good bye, and much continued success in the future  
Sincerely

Mr C
