Dedication

The 1957 Tomahawk Staff, inspired by the loyalty and assistance of the class counselors, wishes to thank them by dedicating its book to this fine group of friends.

It is with their aid that many students, who would falter along the footsteps of adulthood, are taught how to become useful citizens.

MRS. NORMA LEWIS

Administration

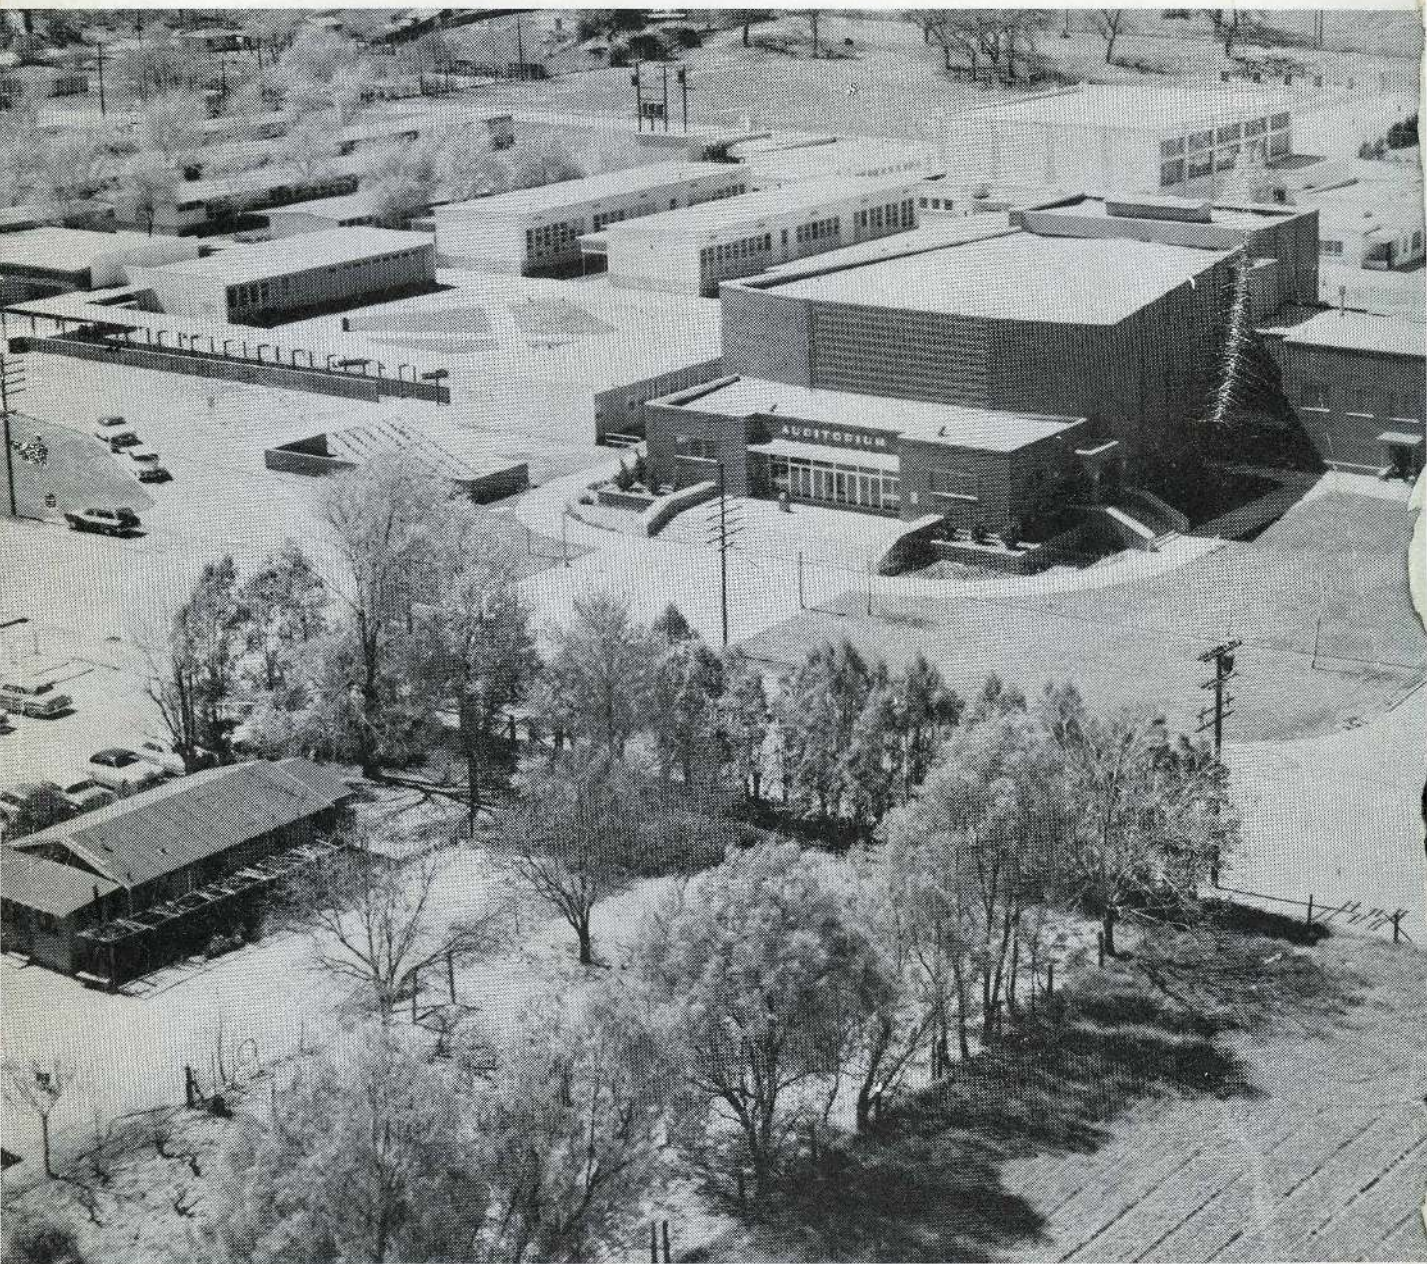

Trustees, elected by our parents, are the guardians of school funds, employers of our teachers, and masterminds of school administrative policy. Trustees work long and hard without pay. They serve, they dream, they create . . . They make all that Hart stands for possible.

Standing from left to right: Ardian W. Adam, Irvin Shimmin, Superintendent, and H. H. Gully. Seated: C. E. Hadly, Julio Lombardi, President, Edith S. Palmer.

To one of the sweetest guys
I know, and who is like
a brother to me, but some-
times a little pest. I wish
you and your club the best
of luck in the following
years to come. I'll always
remember you cause you a
good ^{guy} but this is written by
a better girl. (just kidding.)
The best of luck to wish some
girl that you like.

Lots of love
Always from
a friend (I hope)
