Presented by the Associated Student Body of Wm. S. Hart High School Newhall, California

The crisp, golden leaves of Autumn, the gentle whisper of rain in Winter, and the brisk, exciting freshness of Spring set the theme reflected in the Tomahawk '69.

Pat; Ego, Knowledge, Judgement, In de pandance, Truth, Loip Lifel Molin Pot, never be content to be me of enen." You can be Mon. Autumn winds lend a restless air to the already anticipating spirit of Hart students as a new season of classes, football games, teachers, and dances begin. And what could be more appropriate than the crowning of both Autumn and our queen at the traditional Homecoming game and dance?

Storm clouds and winter rains usher in a season of exciting basketball games and last minute cramming for semester finals. The annual Christmas Program and Winter Formal top off another great year of memories as 1969 steps in to take its place along side the other great years at Hart.

Now as the school year comes to a close, underclassmen look forward to their years at Hart while Seniors look back on a truly great year—the year of the Indian!

Autumn is the season of colorful changes and the beginning of another exciting year at Hart. The Hello Dance and Meet the Team Night begin the year's festivities followed closely by football and cross-country victories. But Autumn's finale comes in the splendour and excitement of Homecoming. This year's Autumn season made its brief bow, played its part in captivating the hearts of the students, and will never be quite lost to the memories of Hart High.

Please, Mr. Adelini, this is the Senior quad!

## Hart Indians Say . . .

With the start of school in September came new enthusiasm and spirit as we ushered in 1969 with Hello Week. This year's theme, "The Year of the Indian", received the support of all as Hart's campus rocked with the vibrations of a new kind of excitement.

The outstanding enthusiasm at Hart was well displayed in the overwhelming attendance at "Meet the Team Night". The cross country team were introduced after the Pep Squad, and Spirit Squad, and Majorettes. The Hello Dance concluded the evening with a dash of romance.

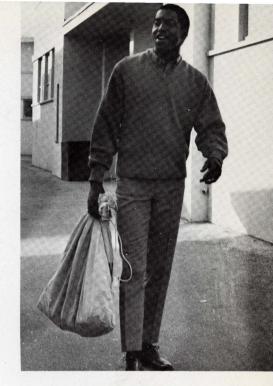

Hello Week was only a smaller part of many wonderful weeks that truly made this year, the year of the Indian.

The Pep Squad warms them up!

"... This will be the best team Hart's ever had."

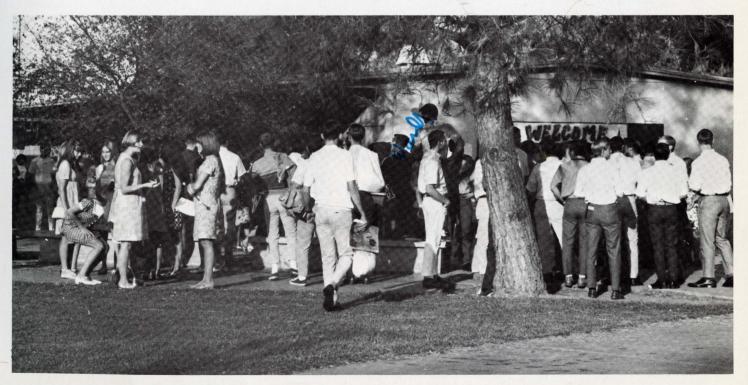

Hey man, we're on our way!

## Homecoming

The excitement of Homecoming mounted all through the week as the Spirit Squad sponsored many exciting student activities.

Our admiration and appreciation to our Armed Forces served as the honored theme for the fabulous half-time show. Our respected Grand Marshall, Mr. John Granville, was unfortunately unable to attend due to illness. The students, nevertheless, wish to express their thanks to him for his sincere efforts to make our Homecoming '68 a memorable one.

. Mr. Downs and Mr. Scott were the superb directors of our unique performances of band and chorus.

The Indians defeated Fillmore 38-7 in the action-packed spectacular Homecoming game '68.

Imagination and originality were at work, as the classes created floats to the patriotic theme of "Up With People." The Sophomore class walked away as the proud winners, a result of much hard work.

The Hart High Choir under the direction of Mr. Downs, sings "Up, Up and Away".

## Gridders Capture First

The Varsity Football players have proved that the Winter Sports Season of 1968-69 was the biggest and best. Sacrificing pleasure for hard work, the team carried Hart through a football season of glory and victory.

Our cheers of inspiration and tears of dedication were rewarded with a seasonal record of nine wins and no losses, defeating Santa Clara for the first time in Frontier League Play.

Although many people can be cited for their devoted efforts in supporting a winning team, Coaches Dennis Wendt, Al Hansen, and Duane Whisler are the three men who were truly the most important instruments to a successful season. Their sincere devotion and dedicated work at practice went to "many games well played."

To be sure, our Varsity team is composed of the very best in players. However, there are some who deserve special recognition. Clint McKinney, who gained 1055 yards placing second in valley standings, is the first Hart player ever to make "All Valley First Team." He was also awarded "Most Valuable Player" both in League and on the Hart team. Tackles. Charlie Armstrong and Ron McWright were awarded "Outstanding Offensive Lineman" and "Outstanding Defensive Lineman", respectively. Linebacker Abby Nocciolo was voted "Outstanding Defensive Back" while quarterback Dean Raynor received the "Most Inspirational" award. Halfback Dave Potter was cited as "Most Improved Player" while the "Scholarship Award" went to John Zima, end. Among the players making "First Team All League" were Charlie Armstrong, George Rawson, Mike Underwood, Bill Staats, and Gary LaCore.

Members making "Second Team All League" were Ron McWright, Abby Nocciolo, and Pete Calzia. The "Honorable Mention All League" awards went to Dean Raynor, Jim Baxter, Richard Smith, Glen McLain, and Bill Lankford.

After starting practice in early August and continuing through November, diligently working from early morning to evening—from scrimmages to whistle drills—our boys endured, fought, and conquered.

## J. V.'s Crush Opposition

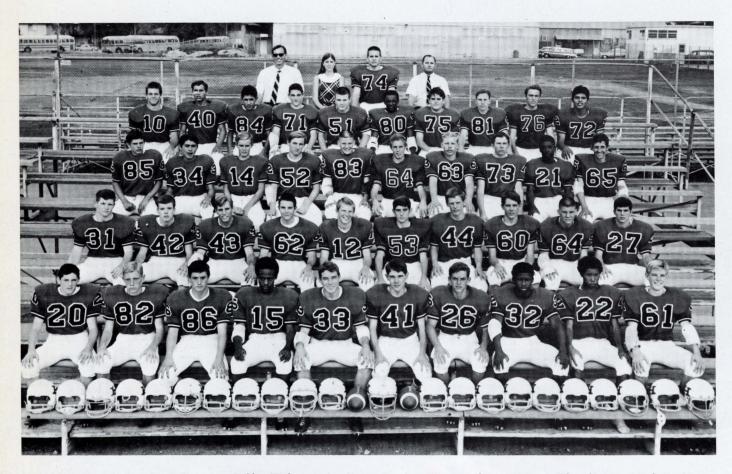

Happy with their boys, Coaches Tennyson and Williams plan strategy.

While in hot pursuit of an undefeated record of 9-0, our J.V. players, headed by Coaches Bob Tennyson and Val Williams, have proven that they will carry on the title of "Number One" set by Varsity players this year.

Also, the squad, characterized by a powerful offense and stout defense, ended the season in first place and undefeated in the Frontier League.

To sum it up, the high spirit and great enthusiasm generated by all Hart teams carried this Junior Varsity team through to a year of great pride and victory.

Larimer drives for the line

Due to the enthusiastic and determined efforts of the Varsity Cross Country team, led by senior captain, Steve Doubleday, and junior captain, Mike Martinez, the Harriers have proven to be the strongest ever seen at Hart High.

Last year the Harriers had only one man under 11 minutes as compared to the six runners this year whose time is under 11.

At the annual Awards Banquet for Cross Country, spirit was high as Mike Martinez was selected to receive the "Outstanding Runner" award. Keith Lusk was voted as "Most Improved Runner," while captain Steve Doubleday received the "Scholar Athlete" award.

Varsity Cross Country team promises to be a strong team next year with the return of outstanding Sophomore runners.

Paced by the capable leadership of Raymond Kutylo—President, Raydene Payne—Vice-President, Peggy Sepulveda—Secretary, and Robert Zima— Treasurer, the Class of 1971 has proven to be a valuable asset to the Hart High Student Body.

The Sophomore Class has participated in many activities such as the sponsoring of after-game dances and selling booster buttons, ribbons, and other moneymaking projects. One of the newest and most successful projects was the selling of mistletoe at Christmas.

Their first year at Hart was filled with many new and exciting experiences and the Sophomores found that winning the float entry at Homecoming really made this their year. Class Of 1971

The crisp, biting chill of Winter winds race through Hart as students battle the raindrenched hallways in order to reach class on time.

Accompanying the Winter season are winning basketball games on cold, December nights with exciting wrestling matches during the day. The annual Christmas Program and Winter Formal highlight a great season at Hart as the "traditional" semester finals "ring out the old year and bring in the new."

Gary Ray soars in for a lay-up.

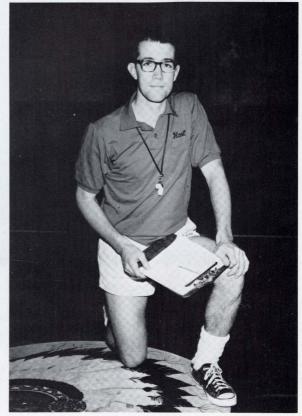

The performance of the Hart High Varsity Basketball team for the year of 1968-69 was truly a memorable one as the Varsity team placed third in the C.I.F. Playoffs, entering as Frontier League Co-Champions with an 11-3 record.

Starting line Mark McNaughton, Greg Soter, Gary Ray, Mike Martinez, and Larry Bringham exhibited top skill and co-ordination on the Basketball court with their outstanding offensive play. Varsity junior, Dave Harris, came off the bench with top performance in his well-executed plays.

Coach Fran Wrage, undoubtedly, has been cited as the key factor to a successful season for the Varsity Basketball Squad. Through his dedicated and hard work, he molded a group of enthusiastic players into a highly coordinated, well-organized team. Many hours of practice, sweat, and tears transformed the players into one of the best Basketball teams to ever represent Wm. S. Hart High.

As in every sport, there are always those exceptional players who deserve special recognition. Among these "specials" is Greg Soter, recipient of the "Scholar Athlete" award and setter of the Field Goal and Free Throw shots of .479 and .791, respectively. Mark McNaughton received the "Rebounding" award while Gary Ray was honored with "Most Improved" while "Most Valuable Player" award went to Larry Bringham. "All League" players were Greg Soter, Mark McNaughton, and Larry Bringham.

#### Were Outstanding

This year the Hart High Indians wrestling team had a tough season. Everett Niewoehner took the job as head coach for the first time, and his new assistant coach was Dick Bunn from Arroyo Seco Junior High. Despite the difficulty of recruiting members this year and having only five returning lettermen, the Varsity team made a good showing, ending with a winning season in the Channel League of 5 wins and only 3 losses. These grapplers put forth their best and this effort made up for the team's problems placing them fourth in the Channel League. The young and unexperienced Junior Varsity team established a record of 4 wins and 4 losses.

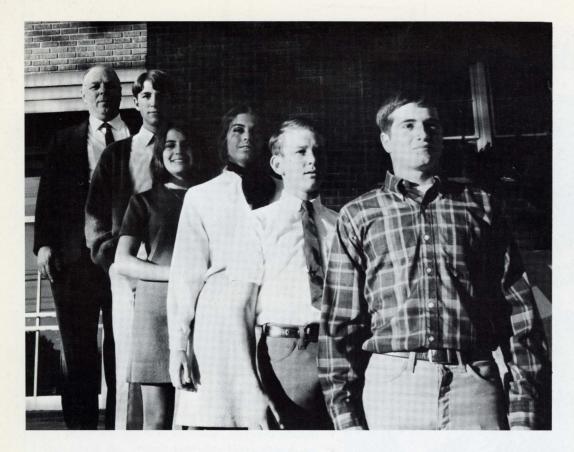

The hard work of Ernie Villegas and Verl Greenhalgh qualified them for CIF as league champions along with Louis Mercado and Charlie Armstrong, who placed second in league competition. Mercado was outstanding in CIF and tied for ninth in the finals.

Fifteen seniors ended their wrestling careers as Indians this year, but next year the team will have the experience of returning Juniors and Sophomores. It should be quite a season next year.

As the year came to a close, the Junior Class could look back upon the past year's activities.

In preparation for the Junior Senior Prom, the Class of '70 sponsored many money raising programs in order to make their prom the very best in Hart's history. Along with the selling of football and basketball ribbons they staged the Homecoming Dance and the traditional Junior Class Talent show.

The Class of '70 is now knocking at the giant door of important decisions and responsibilities they must face next year as Seniors! But the success they have achieved under the pressure of this last year has proved them capable of opening that door and walking on to adulthood. Class Of 1970

As Winter fades into Spring, the school year draws to a close. All the students begin looking ahead to future years, but memories of the past are not pushed aside.

The laughter of students has bounced and echoed through the halls, yet the moments of quiet prevailed at times with preoccupation toward work in the classrooms.

Yes, from registration in the Autumn to Graduation in the Spring, 1968-69 was, indeed, a memorable, heart-satisfying year for all.

## Royalty Reigns

Princess Tina Redfern

The excitement of Spring was highlighted by the Junior-Senior Prom, held May 24. The junior class established a theme and commenced with the planning of decorations to convey it. Mr. Ruby advised and counseled in preparation.

Romantically held at the Royal Crest Room, with a medieval setting, couples danced in an atmosphere of "An Enchanting Evening in Camelot." Colorful gowns and stately jackets blended with corsages and boutonnieres to add to the glow of the special occasion. Queen Linda Brady reigned with her King escort Dean Raynor. Princesses Sharon Norris and Tina Redfern were escorted by Steve Gallion and Ernie Villegas.

Following the evening of sophistication, the couples left the dance with memories of a night of quiet conversation, soft laughter, and the glow of a grand occasion lingering in their minds.

# "Guys and Dolls"

This year the drama department selected a musical for their spring production. Because of the moderate cost involved and the great adaptability of the play on a high school level, "Guys and Dolls" was the musical chosen.

Mr. Seely and Mr. Scott, the drama and music teachers, both new to Hart, combined their efforts in making this one of the best productions Hart has staged.

The play involved a multitude of students and contained a mixture of both the choral and drama classes. But students with little or no singing and dramatic background were welcomed with open arms, since the number of people cast in this musical totaled 125.

The play opened April 25, and was highly acclaimed by both the school and community.

# We Had A Lot of Fun

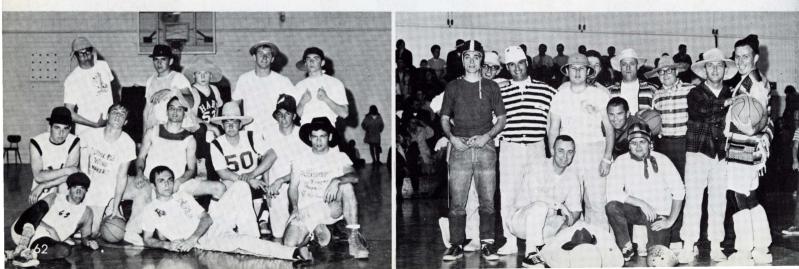

Mr. Wisdom portrays the court jester.

Everyone jumped into the spirit of the 1969 season. Activities kept students interested especially with participation of various faculty members such as Homecoming mascot, Wilhelmina Wisdom. Donkey Basketball was another source for fun. The faculty demonstrated their strength by defeating the Lettermen, 34-32.

Winter did not dampén anyone's spirit including our own Santa Claus, David Wilson. He alone succeeded in collecting more than ten dollars which was donated to Children's Hospital. Even our Spirit Squad members could not hold in their enthusiasm through the seasons, but participated in all the activities available.

"That's crazy!"

Heres something for you from Santa Claus, Dave Wilson.

Brady gets a little high.

Again Hart's track team is off to a record-breaking start. This year spirits are high as they strive for their third straight crown, after taking the Frontier League Championship the past two years.

This year's strongest events will be on the track. Although league meets are just getting started, many previous school records have already been threatened and broken.

Clint McKinney has returned as the record holder in both the 100 yard dash and the long jump, which at present is 22'91/2''. Threatening record holders are Mike Martinez in the two-mile, Bill Lankford in the one-mile, and Steve Doubleday in the half-mile.

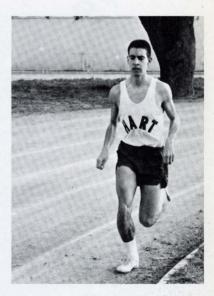

But maybe the most significant promise for a record-breaking victory by Hart, comes with the return of three of the four members of the "B" relay team who placed fifth at C.I.F. last year.

Doubleday whips off 2 laps.

"Mile" is threatened by "Shark".

Martinez runs and runs, and . . . runs.

Seven returning lettermen constitute the nucleus of the Hart High Varsity Baseball team, and it is this nucleus around which the team strategy will be built during the 1969 Baseball season.

Seniors Abby Nocciolo, Dean Raynor, Steve Gallion, Bob Town, Buddy Baxter, Bill Staats, and Jim Curtis, along with juniors Pete Calzia and Ruben Franco, portend a successful and exciting season for Coach Koentopp's Varsity Baseball team. They will have to be an aggressive, hustling outfit, according to Coach Koentopp, in order to take advantage of other teams weaknesses and mistakes.

The pre-season record is 6-2 with league baseball games twice a week and a tournament during Easter vacation. As the Tomahawk goes to press, the Varsity Indians promise a successful and fulfilling season in Frontier League Competition.

Beginning season play by 'defeating Crescenta Valley 4-3 in their last practice game, the Hart High Junior Varsity Baseball team views league play optimistically. Coach Maron sees the J.V. players as definite "title contenders" and believes they will enjoy a promising season.

Several J.V. players who deserve special recognition are Nik Kadel and Steve Walker who show terrific form on the mound. Don Hyatt, Kelly Keagy, Dave Nardiello, Jim Baldwan, and Darsyl Flake also are potential moundsmen. Other valuable players on the Junior Varsity Baseball Squad are Steve Haskell, Steve Toney, Ray Festa, Kim Platz, and Mike Smith.

### Golf Continues To Win

Marcos Briano exhibits perfect form.

The Golf team, coached by Robert Henson, has had an exceptionally large turn out this year and are favored to once again take the league championship. The Indians have been untouched for the last two years in golf and plan to make it three.

The team is led by the superb golfing of experienced senior Marcos Briano and junior Dave Harris. Much of the golf team's success is due to having one of the toughest courses in the league to practice on and to defeat their foes on.

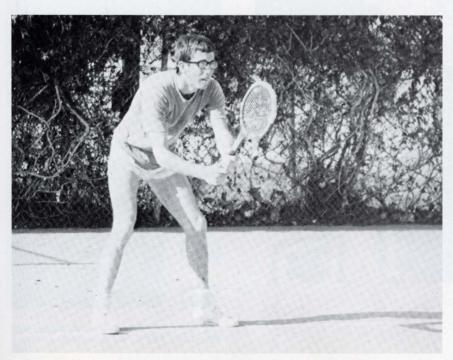

The top three golfers think about improving their scores.

#### Netters Seek Success In League

This year the varsity tennis team, with few new players, has an excellent chance of reclaiming the Frontier League Championship from Santa Paula, who has held it for the past two years. The varsity team has four returning lettermen, Jim Gordon, Dave Smith, Paul Driver, and Dana Schnepple; who will form the backbone of the team, along with G. W. Hall, Steve Ault, Jim Taylor, Greg Huntsinger, and Stan Arnold. The JV team has six new players this year. The team has started off the pre-season practice with a 3-2 record. Improvement is steadily being made under the fine coaching of Mr. Hurst.

## **Outstanding Athletes Shine**

With his excellent academic record and superior athletic accomplishments, Clint McKinney was an honored student at Hart High 1969. Of his athletic achievements, Clint holds the school's track records for the 100 yard dash, the long jump, the 440 yard relay and the mile relay. Clint also held the football titles, most valuable player on both team and league and most valuable back. He was voted on first teams for League, Valley, and C.I.F. Under the able-bodied leadership of President, John Zima and Advisor, Mr. Dickinson, the class of '69 contributed to the spirit that made this year truly the "Year of the Indian". This spirit spurred our football team on to C.I.F., a feat not accomplished for many years.

Always on the agenda for the busy senior class are the Baccalaureate Tea, the senior picnic, the Junior-Senior Prom, and the all night graduation party at Disneyland.

The Class of '69 will be uniquely remembered for it graduated the largest senior class Hart High has ever seen or will see for many years to come. Class Of 1969

> To Love Pure And Chaste From A-Far, To Try When Your Arms Are Too Weary, To Run-Where The Brave Dare Not Go.

They were a big class and they did things on campus in a big way. From early Fall with a championship, Senior-led football team, to Winter with the formal dance, exhibiting all the charms of the Senior girls, to the Spring season-coming on at full steam with the lions share of academic honors, this largest graduating class exhibited traits befitting bigness of character and ability.

Never before has there been such a large percentage of Seniors participating in Hart's organizations and activities. The enthusiasm was overwhelming as the students prepared the Senior Float. The girls of the month and the girls of the year were true examples of the virtues for which they were chosen. And who can forget the great spirit of the rooters of the month?

The Senior class was ready to face the challenge of their generation and surge towards their goals with earnest efforts. The great success of the school year was largely the result of the endless work of the Seniors. We say "goodbye" to the class of 1969 in June, but we will always remember them as the class that made 1969 truly the "Year of the Indian."

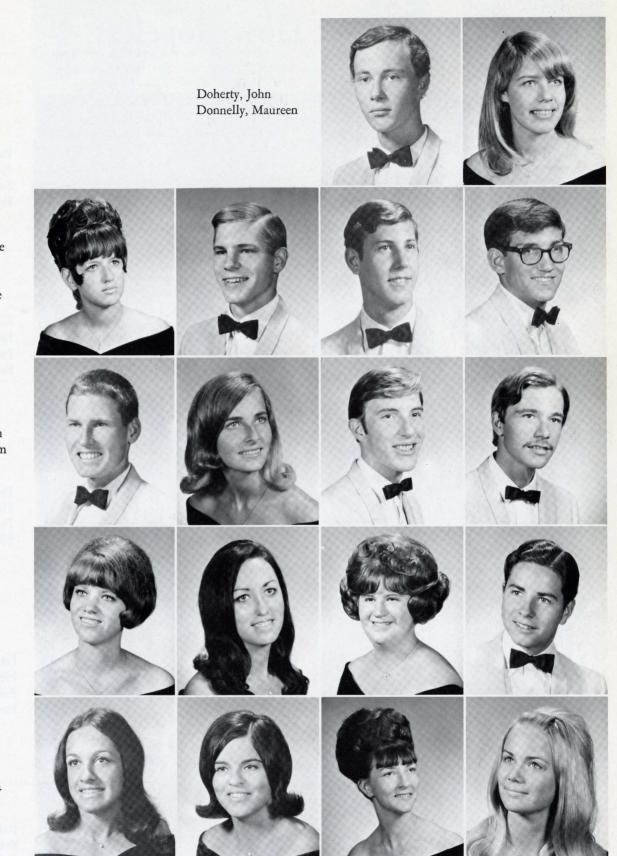

This is our beloved Mr. Dickinson

# Organizations Are Always In Season At Hart

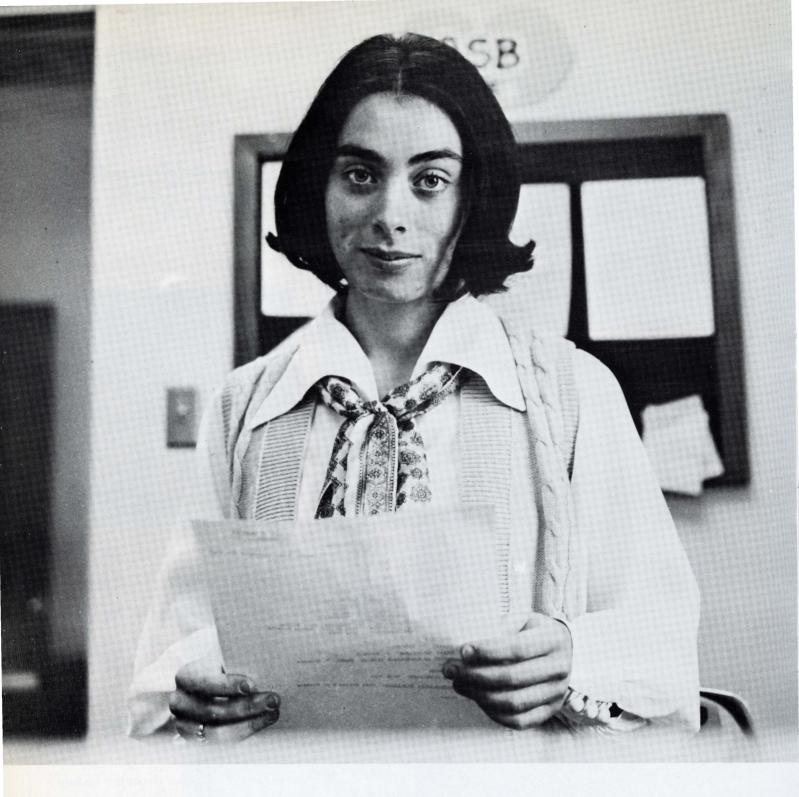

Organizations have always played a vital part in student life at Hart. Whether one's interests lie in scholastic achievement, service, spirit, or sports, there is a club for every season at Hart.

The most important organization on campus, because it includes every student, is the Associated Student Body.

The Tomahawk and Smoke Signal classes provide hard work and rewarding experiences for those with a journalistic bent.

Our pep squad are energetic girls who lead Hart's Indians in loyal support of their school and its activities.

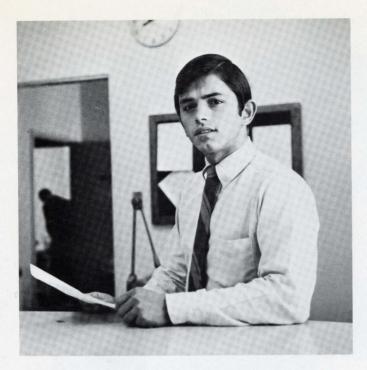

The list of clubs goes on and on as every student discovers Hart spirit through organizations.

Suzi Muhl as the first female Student Body President at Hart High, has exercised great determination and leadership. Her inspiration has led the A.S.B. executive board in accomplishing its numerous duties.

The Senate is organized for the purpose of promoting better communications between the students and the administration. This body meets weekly to discuss and plan the many different and interesting activities that keep the students at Hart enthusiastic throughout the year. The fall Homecoming extravaganza and the Spring Sprolic week were handled by the Senate with great success.

The work of the A.S.B. is never done. When no particular project is at hand, student problems not handled in the House of Representatives are discussed and acted upon. Under the guiding hand of Mr. Miller, many influential decisions are made which affect the school as well as the community.

Ernie Villegas-Vice President

#### The House of Representatives Bridges the Gap

The House of Representatives is a bridge between students, their government, and the school administration. Here the students, represented by fortyone elected members, are able to constructively bring up criticisms and new ideas for the improvement of the school. Ideas and criticisms range from the standard problem of food to newer ideas, as for an additional phone on campus to cut down on the congestion.

In the House, students are able to have a hand in student government and school policy. Committees are formed to investigate all parts of a problem and perhaps to come up with a solution.

Here all students are represented as opposed to the Executive Board where only the elected minority have any say.

# Our Mascot— –Minnie Hi-Hart— Was Our Greatest Source of Inspiration

Minnie-Hi Hart was on the warpath for victory this year. Portrayed by our own pretty senior, Pam Yates, she instilled the entire student body with vivacious spirit that lasted throughout the year, inspiring our teams on to success. Through the fall, winter, and spring, Minnie was always full of enthusiasm for every school activity. Along with our songleaders and cheerleaders, Minnie Hi Hart of 1969 will be remembered and loved by the Indians for many years to come.

The Hart High orchestra under the direction of Mr. Downs, has had a very successful year. Members spend second period of each day rehearsing avidly for their latest concert. This fifteen piece orchestra helped make the spring production, "Guys and Dolls", a tremendous success.

# Music Makers— Superlative

Rising above past accomplishments, this year the Chieftans have gone on to new glory and achievements. With high aspirations they again entered the annual Hollywood Bowl Battle of the Bands and eliminations are underway. The great percentage of juniors in stage band this year has definitely not hampered their talent. After their performance at the L.A. County Fair and the Winter Concert, the Chieftans have won the enthusiasm and pride of their school and community.

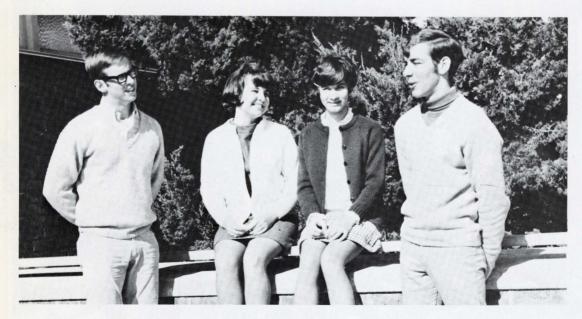

Mr. Downs, he makes the band what it is.

The pride and joy of Wm. S. Hart High is vested in one supreme body, the Varsity Marching Band. Headed by President-John Zima, Vice President-Thom Yaeh, Secretary-Barbara Henson, Treasurer-Lynelle Koehler, and led by Drum Major-Jayne Allen, the Varsity Band has contributed a great deal to the many memorable moments of 1969.

Beginning the Fall and Winter seasons of activities was the Varsity Band's participation in the Los Angeles County Fair at Pomona. The highlight of Homecoming was the half-time show when the Band performed their "Up, Up, and Away" show for Queen Linda and her court. The Christmas Parade, Christmas Concert, and Winter Concert were also part of the Holiday Season events.

Spring brought in her share of activities for the Band with the coming of Graduation and surrounding events.

Due to the truly magnificent talent and hard work of Mr. Robert Downs, the Varsity Band has and always will flourish as the insuperable talent of the Wm. S. Hart High School District.

Hey you guys, slow down!

The sixteen Madrigal Singers constitute the top singing group at Hart. They produce a spectacular performance whenever they work on stage, their elegance being amplified by their red, black and white formal attire.

Autumn, winter, or spring finds the 1969 Tomahawk staff busy producing another popular Tomahawk. Twenty years have passed since the Tomahawk was first distributed on the Hart Campus.

Just as Hart has spread its wings in the past twenty years, so has the Tomahawk grown both in quality and circulation until today we have a beautiful, larger yearbook.

Producing a yearbook takes a great amount of effort and responsibility from everyone on the staff. This is why all members are hand-picked at the end of each year by Mr. Franklin, the advisor, together with the new editor.

By midyear, the editor of the yearbook is every bit as frustrated as a magazine editor pressed for his monthly deadline. However, Darla Bowser, our present trusty editor, despite all problems, seemed to "keep her cool" all year long. When staff members were swamped with work, it was Darla who took the load herself. This yearbook was completely planned by Darla and Mr. Franklin during the summer, and without their guidance, the yearbook would never have been published.

In all, the yearbook is a composite of the whole staff, working together as one unit, guided by our advisor and editor, to produce a keepsake of high school memories for everyone to enjoy.

# They Reported Our Happenings

The Smoke Signal is the lifeblood of Hart just as any newspaper is the lifeblood of a community. Under the leadership of advisor, Mr. Mace and Martha Price, editor, the Smoke Signal came out often enough to inform the student body of current activities. The large number of pictures in the paper can be attributed to Mr. Mace and his photographers.

The Smoke Signal emphasizes sports, thus encouraging students to attend the games. It was one of the reasons why the spirit this year was overwhelming. The entire staff is to be thanked for their faithful and energetic service throughout the entire year.

A.F.S. Convention at Disneyland

The American Field Service is a national organization devoted to promoting international understanding between the people of the United States and other countries. Under the guidance of Mr. Lozar, the A.F.S. has become a very important and active group on the Hart High Campus.

Along with the sponsoring of our foreign exchange student from South Africa, Taffy Adler, the highlight of the A.F.S. activities this year was their trip to Disneyland for the Southern California American Field Service Convention in Anaheim. The members experienced an eventful weekend of exciting activities. After registering at the Disneyland Hotel, they attended an A.F.S. rally at the Anaheim Convention Center. A presentation of the flags of all countries participating in the A.F.S. program ended the rally followed with an exciting "spree" through Disneyland.

#### Taffy Adler

The best way to gain great understanding and appreciation of one's own country is to become a member of another. The American Field Service method of living with another family in a foreign country is perhaps the greatest vehicle to world understanding ever devised.

According to John the greatest lesson he learned as an Exchange Student is the fact that life in different parts of the world is not necessarily better or worse than ours but different. He also found from a personal stand point, that people are the same all over the world. Customs and ideas exist which might be considered antiquated or strange but they are not radically manifested in personal contact.

This type of experience can not be bought or completely appreciated by one who has not experienced it. It is a personal experience with each student profiting in his own unique way. Some gain new philosophies, some are radically changed—but most gain greatest insight in themselves upon being thrust into a new world where they are obligated to make friends and learn to live. The effect of this experience has always been positive to John, contributing to the maturity and completeness of our 1968-69 Foreign Exchange Student. A year in another country—an opportunity to see and study another people. How magnificent and yet how elusive the prospect appeared when I applied for my American Field Service scholarship in April, 1967. Yet, after fourteen suspense filled months, I finally arrived at the home of Mr. and Mrs. James Dickinson in Saugus, California.

What was in store for me, I did not know. I did know, however, that the success of my year in Newhall would not only depend on me but, also, the people of the community. I was not disappointed.

I was overwhelmed by invitations to many homes and places of interest, by offers of help and the innumerable kindnesses showered upon me.

The same is true of the kids at school. I always have, still do and always will maintain that the most pleasant period at school was the lunch break. It was then that I had an opportunity to meet, talk and make friends with you. I will always remember the pep rallies, executive board meetings, Halloween, and the football games.

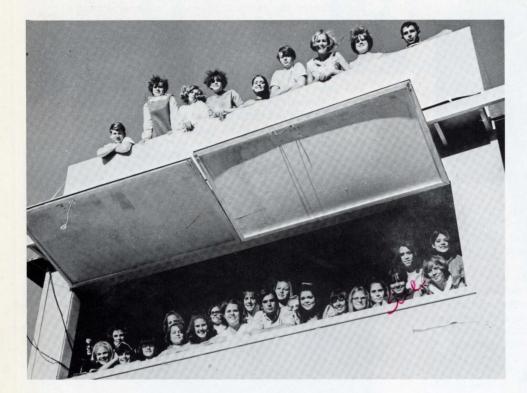

In short, it has been a most memorable year for me, as I hope it has been for those of you whom I have come to know.

And—if any of you ever reach Johannesburg just call!

#### War Party Shows The Proper Spirit

One of the newest additions to Hart High's organizations is the War Party. Under the supervision of Mrs. Katherine Donaldson, the War Party helped promote school spirit through their enthusiastic support of all sports activities and "Pep" events.

### Social Science Comes Alive

The Argonauts main goal is to develop interest in our social sciences. This year they toured the famous Dutch community of Santa Barbara and went to see the stage production of "Lion in Winter." Their programs include lectures, field trips, and a variety of stage productions. Hart is proud of the historical interest the Argonauts have generated on campus.

# Top Scholars Merit Distinction

The California Scholarship Federation, one of the strictest honor societies in the nation, has its 394th chapter on our campus. Mrs. Rea serves as advisor.

Members of C.S.F. must earn twelve points on their semestet report card with A's counting three points and B's counting one. Students are eligible for life membership if they have been in C.S.F. four semesters, once in their senior year. They wear the gold tassles at graduation and receive gold seals on their diplomas. Any student who has been a member every high school semester is named a "one hundred per cent" member.

Statewide projects for C.S.F. include contributing money to various scholarship funds and tutoring needy students.

### We're At

As the main service organization at Hart, Keyettes has accomplished much this year. Their main project was a fashion show in December, put on to raise donations for the Marines "Toys for Tots" campaign. Keyettes also served at the Cross Country - Football Banquet, Dec. 7.

Promoting the best of relations among the "female" portion of the student body is one of the largest organizations on campus, the Wm. S. Hart High Girl's League.

The Girl's League is involved in many campus activities throughout the year such as the sponsoring of the Winter Formal and the selection of the "Girl's-of-the-Month." The annual Mother-Daughter Tea in the Spring highlights the year with the crowning of some well-deserving young lady as "Girl-of-the-Year."

# They Argue And Win

Under the supervision of Mr. Richard Weekley, the Debate Club has become a very active organization on the Hart Campus.

Participation in speech contests and debate meets between various schools are only a part of the events the Debate Club is active in. They exhibited their "four" and "six" style of debating to different classes during the year and participated in a Mock-Congress held at Notre Dame High in which Hart students took part as Senators and House Representatives.

# They've Become The School's 'Little Helpers'

The Graphic Arts Club, as a group of students interested in printing, performs a vital function for Hart by printing the Smoke Signal, tickets for school functions, pep ribbons, and programs.

### Our Skilled Sports Girls

G.A.A. is an organization which provides an athletic opportunity to the girls who enjoy and excel in sports. They work to build their skill, practice their good sportsmenship and increase their pleasure and fun. This year the girls had a convenient 7th period Physical Education Class, which was used for their G.A.A. activities. Some of G.A.A.'s various events include the Father-Daughter Play-Nite, Mother-Daughter Play-Nite, Faculty Play-Nite, Santa Barbara Tri-County Play-Nite.

Lettermen have high ideals.

# Lettergirls Challenged Lettermen

The privilege of being a Lettergirl goes only to those girls who earn 1000 points from attending and participating in G.A.A. activities and events. Maintaining a high grade average and a good citizenship record are also qualifications to become a Lettergirl.

After becoming a Lettergirl, a girl can be proud to be a part of a fine campus organization, promoting fellowship and good sportsmanship in all sports events.

Fall brings special problems to teachers setting up their roll books.

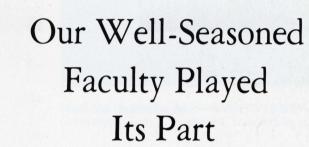

Winter is the time for teachers to bundle up to keep from catching colds.

Spring is day dreaming time for teachers as well as students.

WEEK BEGINNING

Autumn brought the teachers back to Hart, enthusiastic over the coming year. Their schedules seemed longer this year, especially with the addition of "eighth period." Winter brought them muddy floors and wet students in addition to the various winter activities. Then Spring came along with its usual fever, especially for the teachers. However, their lethargy fled in anticipation of the oncoming graduation ceremonies.

The year was ushered out for them on both high and low notes: joy at the culmination of their efforts and sadness that the seasons and students were saying "goodbye."

#### The School Board Encourages

It takes the interest of everyone in the community for school districts to survive. Both interested and concerned parents as well as energetic and well-educated board members must work together to bring about that proper balance of education. The board members who appear on this page are so dedicated.

For the students enrolled in 'Newhall schools, the Board of Trustees is striving to insure the best educational opportunities possible. They meet twice a month with C. T. Haan, Superintendent, and the Administration Staff of Wm. S. Hart High School to regulate all policies on study, staff, and budget.

These dedicated Board members make it possible for us to reap the benefit of the American high school to its fullest.

Board members are, from left to right, Mr. Curtis R. Huntsinger; Mr. Earl Schmidt; Mr. Edward Duarte; Mrs. Jereann Bowman; and Mr. E. J. Agajanian.

#### The Student Body

Striving to inspire all students to reach for the highest possible goals are the District Administrators of the William S. Hart High School District. They promote the best possible educational benefits and take a sincere interest in the student body. Their excellent executive ability is evident to everyone.

Mr. C. T. Haan, our Superintendent, is considered one of the top administrators in this area. His crowded schedule does not keep him from finding time to help any student or teacher that needs his assistance. He does not take his responsibility of running our school district lightly.

Pledged to chart a future for Hart High School to better prepare students to assume their places in the ever-expanding adult world; the District Administrators demonstrate their belief in the importance of education.

The Tomahawk of 1969 will long remain a treasure on the library shelves of Hart High students and faculty. The Year of the Indian has been a truly memorable one for us all. We are indebted to Mr. Franklin and the Tomahawk staff for their fine effort in making this a chronicle of the year's highlights.

To each of the seniors we give our best wishes for success in your many endeavors as you leave Hart. May I suggest that you measure your success in the amount of service you give to your fellow man rather than the material things you accumulate. To each of you students who will return next year we wish you a happy summer and an invitation to return for another good year in 1969-70.

### They Lay The Foundation Of Education

Pointing students in the right direction and laying the foundations for a sound education and bright future is the duty of a select group of individuals. Their decisions effect every phase of student life and guarantee a happier educational atmosphere.

Leading these individuals in their all-important decisions is Mr. Edgar Fickenscher, Principal. He promotes the best of relations among faculty, students, and community.

In charge of campus supervision is Mr. Myron Sproul, Vice-Principal, who can be seen sitting in on classes so as to guarantee the best in teachers and educational techniques for students.

Mr. Alduino Adelini, Dean of Boys, set up, organizes, and approves A.S.B. and class events. He keeps a watchful eye on the students, always aware of their troubles and needs.

Mrs. Joyce Searby, not only having a full-time job as Dean of girls, also serves as the head of one of Hart's most dedicated groups—our Counselors.

### Wide Variety Offered By English Department

A three year requirement at Hart, English has become a platform for experimentation, advancement, and achievement. The literature program provides a panorama of the everchanging world of ours and develops within individuals a new degree of awareness of his cultural background.

This adventure into literature begins with a short review of basic English skills in the Sophomore year followed by American and English Literature in the next two years. Variety emerges in building a broader vocabulary as well as developing advanced reading skills. The ultimate goal is to prepare the student for the world of expression in both speech and writing. Students seeking accomplishment will succeed bearing the knowledge obtained while mastering the English language and studying the art of creative writing.

## Foreign Language Promotes Worldwide Understanding

Conquering the language barrier is perhaps the most important step to World-Wide understanding. With the mastering of each new word—whether it be French, Spanish, or English—we come that much closer to a broader and deeper comprehension of our neighbor's traditions and mode of life.

By using the language lab, foreign language students learn to understand and think in Spanish or French. Classroom speaking and oral reports improve speaking skills while exercises from the text and creative composition help the student to read and write the second tongue.

Truly, in the foreign language department, to learn is to understand.

Homemaking this year was dedicated to opening up the more fascinating work of managing a home to students.

Classes of girls and boys met together to learn that there is more to home economics than cooking and sewing. Displays of candlemaking, tablesettings, home designing, decorating and household ornaments were only a part of the interesting program presented in each class.

Business Education has become an important part of the practical use obtained from different courses in Business is so high, a broad variety of classes in each specific field is offered. Although most high schools have Typing I and II classes, Hart has advanced its program by offering an advanced Typing class, called Secretarial Pool. The other courses available are shorthand I and II, Data Processing, Business Machines, and Programing.

In the world's ever-expanding use of highly technical business machines, it is important that the basic skills needed to succeed in business are taught in high school.

## Presently it's over, yet never forgotten

When Mr. Franklin and I began to select new members for the 1969 TOMAHAWK Staff, we were not aware of the capabilities of our selections. These, combined with the vigor and spirit of every individual, made our Tomahawk the culmination of all our dreams.

The key word this year has been "change". Since the Spring of 1968, we have built the framework for our work in the fall. With many problems, beginning with class pictures and the sale of ads, I'm sure we would not have made it through those trying days without the help and support of Mr. Hall, our representative from Taylor Publishing Co., and Mr. Fitch, from Robert's Studios.

Of course, this book would not have been possible if Mr. Franklin had not been on hand with his invaluable advice on many questions and daily problems. We can never forget the dedication Mr. Franklin has shown for our Tomahawk.

I would also like to thank my assistant editor, Bob Becker, for taking care of all those little details. A hearty thanks goes to my section heads, Pat Vallerand, Diana Torgerson, Steve Doubleday, Cindy Hanes, Denise Doty, and Barbara Henson, our Business Manager. Jane Walker, Abby Nocciolo, and Geraldine Pincus helped on many areas of production and were always on hand when we needed them.

Special recognition goes to my two great photographers, Paul Stocks and Teri Lang. Thank you for working "overtime" so often.

Thank you—copy writers Debbie Frey, Dianne Scott, and Claudia Hill. The phrasing and choice of words have greatly added to what we hope is a tremendous accomplishment.

Good luck to the members who will be on next year's staff and thank you for your help on our Tomahawk '69. Those include Marla Yaeh, Jeannine Rock, Bob Willey, April Cook, Tom Grant, and Steve Ault.

Our beautiful cover was developed through the work of Sharon Norris, our Art Editor—thanks, Sharon.

My personal appreciation goes to every Hart High Indian for making the 1969 Tomahawk possible—for without your spirit and involvement in every phase of school life, we would not have had the privilege of recording the memories and achievements of the greatest year in Hart's history—"the year of the Indian".

Gratefully,

Darla Bowser
