*You finally broke out!!
You've graduated!! Of course, I'm sure you already know this.*

*But this much I know for sure. You may be happy getting out, but
once you're out you'll wish you were back in. Believe me, you're not

DANI ESPINOSA

You have been to the other side and back without missing a beat. Your inner strength has proven your beauty isn't only skin deep. Not once have you complained of pain or set backs, not for a moment have you let anything get in the way of your goals. You have always set high standards for yourself with a drive and dedication that sets you apart in all that you do. You are an inspiration to those who know you and a treasure to those who love you..

Those I Love And Those Who Love Me

*When I am gone, release me, let me go
I have so many things to see and do
You mustn't tie yourself to me with tears
Be happy that we had so many years
I gave you my love, you can only guess
How much you gave me in happiness
I thank you for the love you each have shown
But now it's time I travel on alone
So grieve awhile if grieve you must
Then let your grief be comforted by trust
It's only for awhile that we must part
So bless the memories within your heart
I won't be far away, for life goes on
So if you need me, call and I will come
Though you can't see or touch me, I'll be near
And if you listen with your heart
You'll hear all my love around you soft and clear
And then, when you must come this way alone
I'll greet you with a smile and say
"Welcome Home"*

*We'll always love you,
Jaime and Windy*
