STRATEGY STRATEGY STRATEGY

Strategy / Life Skills is a two semester "self realization course". Topics we study during the year include: developing a healthy self-image, setting and reaching goals, improving relationships with others and learning to communicate more effectively. Discussions focus on problem solving and meeting life's challenges.

WORK

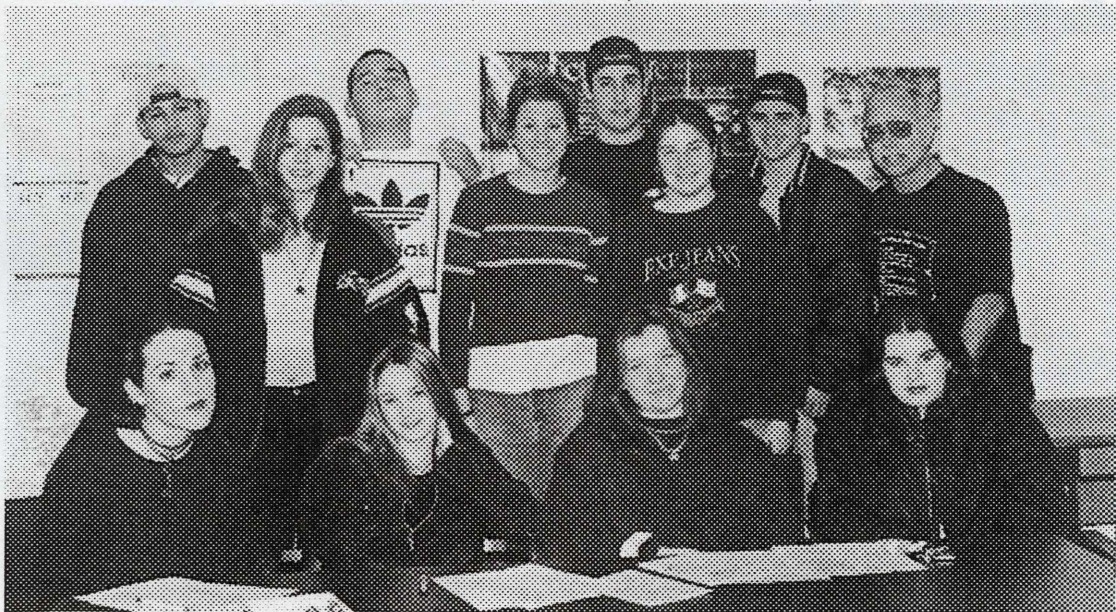

Work Experience is more than a weekly job skills and career exploration class. It is a program where students earn credit for the learning they acquire working in our community. Students take pride in the variety of jobs they perform, the quality of the work they do, and the greater self-sufficiency their learning gives them. There is no question that their pride is justified.

To Windy,

We are very happy you graduated. We could never ask for anything better than the kind of daughter you are! You do so much, I can't thank you enough for all you do for lil' George and everything else too!

The other special gift you have added to our family is Kaylin. You know how much we love her.

Good luck Windy, I hope you are happy and that you become a teacher.

You will always be my daughter, but now you are also my "best friend".

Love, Mom & Dad
