Love,
Mom

Penny McDonald

Her name should be "Diamond" because that is what she has become to us. . . Penny is a "bright and shiny" example of a young woman who has met and overcome the challenges of growing up. Living with her we have seen her grow in wisdom, trustworthiness, dependability and strength of character. Penny fills any room she enters with warmth and energy. She is a devoted friend to those of us who are privileged to know and love her. "What lies behind us and what lies before us are tiny matters compared to what lies within us."

- Oliver Wendell Holmes

FOR MY DAUGHTER,
AMANDA HARMON-RANGEL

There is only one of you and whatever you do, don't forget how special and unique you are. It is you who knows what you'll do, where you'll go, and how far. Success is measured not only in achievements. . .but in lessons learned, lives touched and moments shared along the way. Though you might make mistakes, still you've got what it takes to keep trying your best, win or lose. You are a young woman with a lot of creative energy. You have the power to make a wonderful difference in the world.

It takes a special person to face challenges with courage until dreams become a reality. Believe in yourself, for within you is everything you'll ever need to make your dreams come true. Your graduation celebrates the gifts you have inside you, the talent and promise there that everybody sees.

The key to happiness is having dreams. The key to success is making them come true. May your graduation be the day to a lifetime of happiness. May you look to new achievements with a sense of pride and faith in your unique abilities. May your future be filled with wonderful opportunities, new experiences and success in each goal you pursue.

I am so very proud of you. I love you,
Mom

Sean,

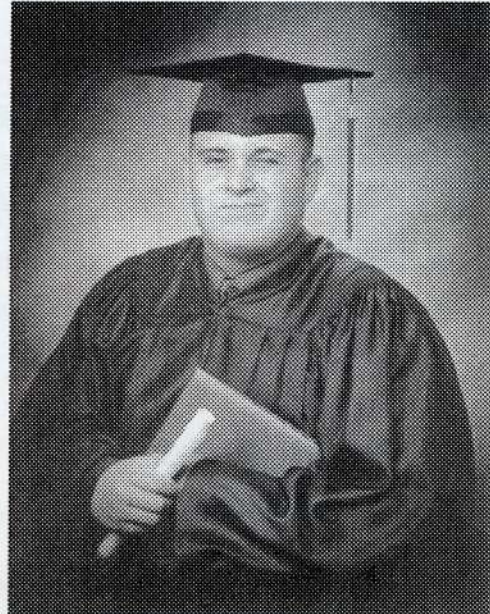

It has been a long 12 years.

Congratulations!

You made it!

We love you,

Mom, Dad & Heather

...

Dawna,

I'm very happy to see that you made it through without taking the easy way out. Life can sometimes be difficult, but if you stick to your goals, you will always end up ahead. Then you can enjoy the rewards that life brings, and set a great example to those who will trust, depend on, and look up to you. See, it wasn't so hard!

Love,
Gary

...

Dear Dawna,

On this special day we want you to know how very proud we are of your many accomplishments. You have always been the girl of our hearts. We love you and we want to congratulate you for being so great!

*With love always,
Mom and Dad*

Kari Lynn,

I am so proud of you for completing high school. I am also excited for you, and the next chapter of your life. The journey ahead can be the most exciting time of your life.

Just remember to set goals and stay focused. When you get knocked down just get back up and dust yourself off and continue on your journey.

I feel so blessed to have such a wonderful daughter and friend.

I love you,
Mom

Rebi Larsen. . .

*Congratulations!
You did it and did
it well! I'm so very
proud of you.*

*Love you lots!
Mom*

JASON ADAM WRIGHT

Jason,

Congratulations: To say that we are proud of you seems so insignificant knowing the trials and tribulations that consistently overshadowed your life. However, you were able to maintain your focus and forge ahead.

Jason, always remember that life is full of negative obstacles. Equally life is full of choices, which makes you the master of your own destiny. Never get discouraged even when you hear that voice saying, "Only if I made the other choice." Life is to be lived. There are no mistakes, just experiences. Learn from each one and continue to grow.

Jason, you are the most awesome person I have had the pleasure of knowing and loving. Thank you for being you.

Love,
Auntie & Mom

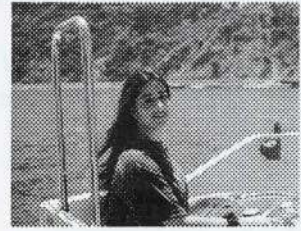

Jamie Dionne

*You have filled
our lives with so
much joy and
pride.*

*We wish you all the best in your
life's journey.*

*With all our love,
Dad, Mom & Jen*

To Our Best Friend, Jamie

**Love from
All of us Girls**

**Congratulations!
We love you.**

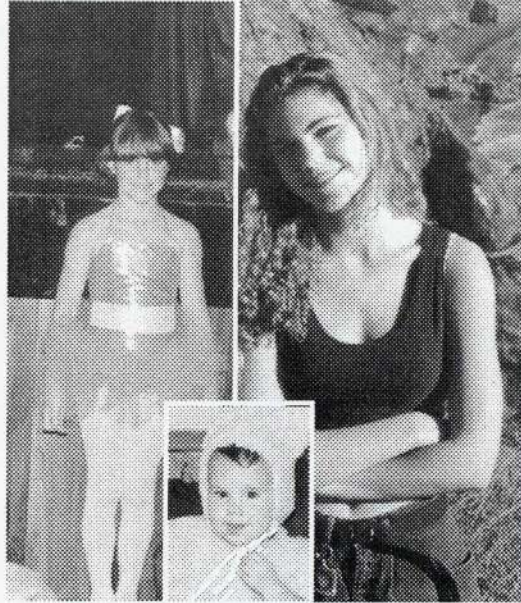

Dear Leslie,

Words just can't express how very proud we are of the young lady you have become. From the day you were born you have added so much joy to our lives. God has truly blessed us. You are an overcomer, and in the process have touched many lives. Anyone who knows you has been touched by your kind and loving heart. Our world is a better place because you are in it! Congratulations on all your accomplishments and we know the Lord has great things planned for your future. We love you very much and will always be here for you.

With all our love,

Mom, Dad, LeAnna, Grandmama & Papa

Marie Lynn

Unknown to many at school, you created and drew the "PANTHER" mascot for all the students. No one knew how many hours of studying panthers, nor how many creations were designed before you felt the perfect panther was put on paper. This was your gift to the students.

As Marie Lynn Craig graduates and walks from the school, her drawing remains and the human "PANTHER ARTIST" waves goodbye.

This is the second school she has given a piece of art, after being asked. A very artistic person, one who is very loving. Good Luck Panthers!

We love you,
Your Family
