Mike,
It's been a
great 1 1/2 years,
I appreciate everything
you've done for me in my
career. From the transfers,
bringing me closer to an uncle
I didn't think I would ever want
to talk to again. I look forward to
my future, that you made possible.

See ya

Hey Mike,
Thanks for being such a cool
teacher. You make coming to school a lot
easier. I never thought I'd say I enjoy
going to school. Hey, and I get a whole year
more! Poor me. And more importantly poor you.

Don't go dying over
the summer, because
it wouldn't be the same
without you. Get
laid/wasted!

CURRENT EVENTS

WORK EXPERIENCE is a class for students who are employed in our community. The course recognizes that there is a great deal that can be learned from on-the-job experience, and attempts to integrate that experience with academic information and work related issues. Work experience students take well-deserved pride in the quality of their work and the contribution they make to their community. Students wishing to investigate these issues and experiences prior to obtaining employment do so as **Career Exploration** students.

You're the baby of the family, adored by us all. Can it really be time for college? So many sweet memories of my pink baby and her bows, my little girl and her horse, a beautiful swimmer and shopper extraordinaire, a princess in a gown, my best friend and confidant.

We're so proud of your good grades, your job, your beauty, determination, poise and grace. Now it's your turn, Sweetie, new choices, experiences and friends. Enjoy life, work hard and create a life you love.

*I'll love you forever,
Mom*

Brianne:

I am so proud of not only how well you have done in High School, but also how well you have done in becoming a young lady with a sensitive spirit and the character to want to care for others. I look forward with great anticipation to what lies ahead for you, knowing

that if the past few years are any example that my Love & Pride for you will continue to grow. Thanks for being the daughter you are to me and for caring for me as only you can, keep up the good work and life will reward your effort.

*My Dear
Grown Up Daughter...*

*I still remember clearly the first time I saw you crawl,
When taking your first footsteps, it was hard to let you fall.*

*I kissed away your "boo-boos" and I washed away the tears,
I tried to teach you right from wrong and banish all your fears.*

*It also seems like yesterday when you were only two...
The years have passed by quickly and our love has seen us through.*

*I treasure each new day and in my heart I will always keep
Each precious memory of my child who has made my life complete.*

*You have always filled my heart with so much loving joy and pride,
Whether I am waiting in the distance or standing by your side.*

*You have been the sweetest blessing I have ever known,
Each day throughout your childhood
and now that you are grown.*

Kayla - My Princess,

I wanted to tell you how very proud I am of you, my beautiful daughter. You determined within yourself to accomplish this goal. Since then, I have watched your strength and your courage and admire your perseverance. I marvel at the young woman you have become, one with integrity and character, and one that understands the choices we make today affect our tomorrows. It is this very trait, this very accomplishment that assures me that you can and will succeed at any dream you choose to pursue. Your journey is just beginning and the sky is the limit! Please remember this day—do not ever forget or doubt yourself, walk tall with confidence, know that I am always behind you in all that you do.

*I love you,
Mom*
