Principal's Message

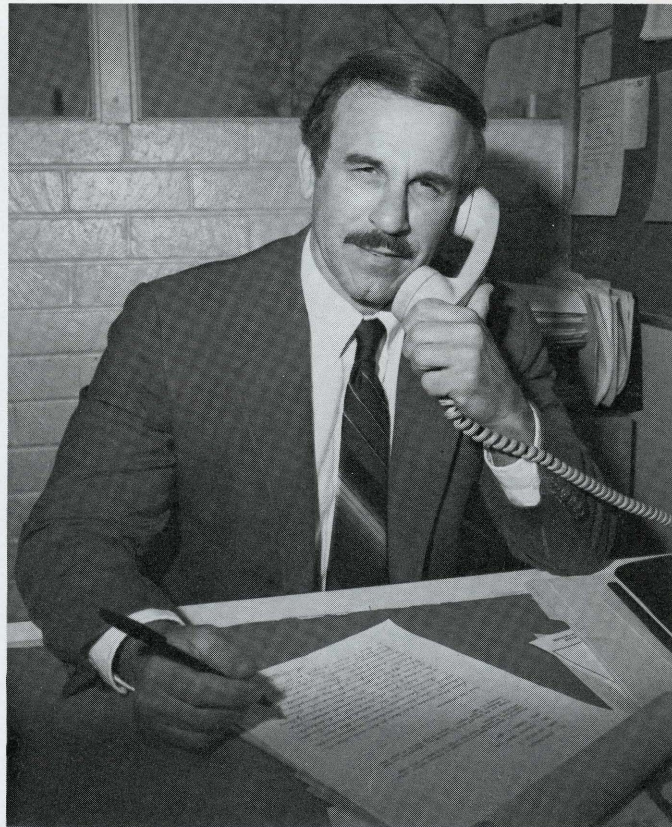

I want to commend the Nugget staff for putting this school year in pictures. In the days and years to come, I hope this book will serve as a pictorial diary of your 1986-87 school year. I am sure it will remind you of your successes, your friends, teachers, happy and sad times, and yes, even your failures. Not too many failures, I hope.

Congratulations to the eighth grade on their accomplishments. I wish them the best of luck in their future endeavors. To the seventh graders-have a good summer and we'll see you next year.
