"For Each Other—Not Against Each Other."

## SOLEDAD TOWNSHIP NEEDS COURT ROOM

Soledad township's justice court is one of the most important of the outside courts. Yet at this time Judge Miller has no place in which to hold court when important cases come up. He is under the necessity of "hiring a hall," or holding court under a tree, or out in the open air. Some of these fine days (and it might not be so fine) Los Angeles lawyers are going to come out here and find themselves standing out of doors while they plead their cases. And in the rainy season, something might soak into their heads. The board of supervisors seem to think that this section is so unimportant that they need no room for the township officials, yet, if our information is correct, many of the justices and constables in other townships are being furnished rooms for official business. We are informed that the revenue of the county from Judge Miller's court in the way of fines, forfeitures, etc., now amounts to over \$37,000 in the last fiscal year. The salary list for all the officials amounts to less than ten per cent of that amount.

Supervisor Wright, in whose district this township is located, seems to be the obstruction over which the case falls down. It is stated that he claims that the judge should furnish his own court room. If that were the rule, and the salary were made adequate, there might be some reason in it. But it is not the rule and the salary is not adequate. Therefore, the supervisor, if he wishes to be fair, both to the litigating public, the court and constituents here, ought to throw his influence toward clearing up the situation.

This is not written in the interest of any official, and none have been consulted. It is only a fair statement of a situation which needs a remedy, and that soon.

### CARD OF THANKS

I wish to thank the Ladies Aid for the thoro cleaning they gave the hall after using it for the baazaar.

Mrs Wm Mayhue

Ben Dove of San Pedro, former owner of the H W Russell home, was a Newhall visitor Tuesday afternoon on business.

## Mrs. H. H. Belknap

This community was shocked and saddened this week to learn of the sudden passing away of Mrs. H. H. Belknap, last Friday evening at her home in Los Angeles, after an illness of only a few days.

The funeral services were held at Huntington Park, conducted by Rev. W. H. Evans, who had been her pastor during the past two years. Interment was in the Whittier Cemetery.

The Belknap family lived on the Nadeau Ranch in Soledad Canyon for two years, where they made many friends, especially at Newhall in the church, where both were active workers, Mr. Belknap as a member of the choir and Mrs. Belknap as teacher of the Bible Class, where she was held in the highest esteem. The family moved to Los Angeles in September.

Lois Ruth Finrock, daughter of Mr. and Mrs. J. G. Finrock, was born at Agency City, Iowa, September 16, 1893. She gave her heart to the Lord at the age of nine, and united with the church, living a devoted Christian life. On November 17, 1910, she was united in marriage to H. H. Belknap, and to this union was born a daughter, Gwendolyn. Mrs. Belknap was a devoted wife and loving mother. She departed this life in Los Angeles, Dec. 5, 1924, aged 31 years. She leaves to mourn her loss, her husband and daughter, father and mother, two brothers, two sisters, and a host of friends. The bereaved ones have the sympathy of the entire community in their sorrow.

Safe in the arms of Jesus,  
Safe on his gentle breast,  
There by his love overshadowed  
Sweetly my soul shall rest.

### CARD OF THANKS

We desire to express our deep gratitude to our friends for their sympathy and kindness and for the beautiful flowers and we assure you that your kindness during our great sorrow, is greatly appreciated.

H H Belknap and daughter.

## Community Church Notes

Communion services will be held Sunday morning and new members received. The Groups will sing communion hymns.

Sunday School subject, "The raising of Lazarus." Golden text, "I am the resurrection and the life." Evening service at 7:30.

Miss Edna Abbott, a former Newhall girl, but now of San Pedro, was calling on friends here Tuesday afternoon.

## Burglars Here Again

Burglars broke into the Union Oil Company's plant last night and scattered things around considerably, securing about \$12 in cash, and either taking or wasting 45 gallons of gas. A bunch of coupon books were taken out, but the thieves evidently concluded these might be traced, and left them.

Several tools were taken from the car and truck.

Manager Kornelissen states that this is the third time in two years that the plant has been burglarized and thinks they show good judgment in knowing where to find good stuff.

## Masons Make Merry

A jolly crowd assembled at Hapa-Lan hall, Saturday evening and danced to the music of Ostrup's Orchestra until parting time. The Masons were on hand in force to see that every one had the best time possible. And on the side devoted to refreshments, a bunch of bright Stars served a delicious supper.

A dance was given for the benefit of the Masonic Club, and a neat little sum was realized for the treasury. The Stars also added to their funds by the refreshments served.

A. Lane, assisted by a committee of the club, managed the affair without a hitch.

## New Orchestra

Some of the imported musicians will now have to look to their laurels. An orchestra with Newhall as its headquarters has been organized, and is now in the field for business. The instrumentation is as follows: Theo. Kornelissen, trumpet; Vernon Walk, piano; Mr. Jones, saxophone; John Wagner, traps and drums.

The new organization has a regular appointment every Saturday night at "Thousand Oaks" a pleasure resort on the Ventura Boulevard.

Mrs. Clark, living half a mile north of Castaic, was run over and quite seriously injured by an auto yesterday afternoon.

Fred Deal, manager of the telephone company, was in Newhall Tuesday, looking after the interests of his company here. It is hoped that he was favorably impressed to arrange for that six-ten hour service.

## Cashes Forged Checks

Saturday afternoon, Willard Losey and E. L. Wills came into the Doty Garage and presented two checks for cashing, purporting to be signed by O. H. Wilmont, living four miles north of Saugus. Losey got the entire amount of the one he presented, but Wills bought gas and oil, and was given change, the amount of the two checks being \$60. Two other men, C. A. Losey and A. L. Deweese, made up the party.

The same parties cashed checks at Sherman before coming to Newhall. Warrants are out for the men.

## COMMUNITY CHURCH ART GLASS WINDOWS

A particularly impressive feature of the new Community Presbyterian Church, now under construction, in Newhall, will be the beautiful art glass windows, to be designed and created by the Los Angeles Art Glass Company. There will be thirty-four windows in all, of several different sizes, and each one of different design, all of them in keeping with the ideals and spirit of a House of God.

Work on the windows has already been expected that they will be completed ready for installation, by January first.

William S. Hart and sister, Mary, noting the Aylsworth and Hume memorial windows, conceived the idea of individual windows for the entire structure, and were the first to secure each a window. The entire thirty-four, many of which will be memorial panels, have now been spoken for.

A list of the windows now being constructed is as follows: Alexander Hume, memorial; Harry S. Aylsworth, memorial; Ellen May Reynolds, memorial; Mr. and Mrs. Miller, (2), memorial; Frances Leiphart, memorial; J. E. Brown, memorial; Lester Baugh, memorial; Mr. and Mrs. Ted Kornelissen, memorial to Lynn Cheney; Mr. and Mrs. R. C. Gibson, memorial to son; Robert Wilson and Mrs. Anita Neighbors, memorial to Lena Wilson-Telford; Thomas Edwards, memorial to son; Children's Window; T. M. Frew, Jr.; William S. Hart; Mary Hart; Masonic Club; C. M. Reynolds; H. W. Bricker; Saugus Community; F. S. Carey; Walter Cooke; A. H. Wilkie; Mrs. A. H. Wilkie; Mr. and Mrs. Wm. Mayhue, (2); Judge Powell and family; Newhall Star Club; J. F. Shaffer; Newhall Woman's Club; Christian Endeavor; Wilmington friends of Rev. Evans; Mr. and Mrs. W. H. Evans, presented by friends.—Saugus Enterprise.

Ray Biscailuz was here Thursday getting his house in readiness to rent.

Christmas is a holiday on rural delivery routes. Parcels for delivery on such routes should be mailed so as to reach the office of delivery at least three or four days before Christmas. There is no objection to placing upon the Christmas parcel the inscription, "Please do not open until Christmas," or words to that effect.

Entered as second-class matter, February 21, 1919, at the postoffice at Newhall, California, under act of Congress of March 3, 1879.

The worst opponents of child labor laws are said to be the parents of the laboring children themselves. The states which have refused to ratify the child labor amendment are those where child labor is the most exploited. And it is a fact that there were voters enough among the workers, had they been all in sympathy, to carry ratification. There is only one answer. The parents want the children to work. Maybe it is because the child labor is vital to the welfare of the families, but it is

ing selfish both on the part of greedy employers and heartless parents. Let us have the national amendment, and then laws to enforce it. Then follow up with some remedy for the sweatshop system. But every step of the way will be obstructed by selfishness from every one that profits a dollar by child labor. And that selfishness is getting in its work, right from the start.

One cannot read of the doings of rich Americans in Europe without a feeling of disgust for the

breed. Gambling and drinking, and worse things than these, dances so vile that even the French police find it necessary to break them up, in fact every sort of devilment that the corrupt mind can conceive is indulged in, without any effort toward concealment, the intent seeming to be to advertise to the world how utterly depraved Americans can be, once they try. But for the leavening influence of the great common people who believe in and practice decency and good morals, this nation would soon incur, and certainly deserve the destruction that has come upon every corrupt, rotten, immoral nation since the world began.

In the death of Gene Stratton Porter, American literature suffers an almost irreparable loss. She was a great writer in every sense of the word, and the beauty of her language made splendid setting for the pure and ennobling thoughts that seemed to glitter like diamonds in every page she wrote.

Besides her great novels "The Girl of The Limberlost," "Freckles" "Laddie," than which no better have been written in this century, she was a great authority as a naturalist, her volumes on bird life with the great mass of stuff written by contemporaries, Mrs. Porter's writings are as pure gold to worthless rubbish. Her setting out of the things really worth while in life are in vivid contrast to so many authors, who seem bent on tearing down the ideals that have contributed to the world's progress thru the centuries. Her class of literature is too scarce, and we wish she could have many successors.

It looks as if "It Ain't Gonna Rain No Mo," were out of date. Help make your town grow.

**Ford Reduces 'Em Again**

A cut of \$25 in the price of the Fordor Sedan, one of the most popular of the Ford enclosed cars, has been announced by the Ford Motor Company. The same announcement carries substantial reductions on all other Ford cars. The new prices become effective Tuesday, December 2nd.

The price reductions come at a time when the car is enjoying the greatest sales in its history, for retail deliveries of Ford cars this year have far exceeded the same period in any previous year. Contributing to bringing about lower prices are production advancements during the year in which it has been possible to bring about many improvements and at the same time effect numerous manufacturing economies by the opening up of new resources under Company control.

The big reduction in the price of the Fordor Sedan presents it to a new and larger field of buyers. Originally priced at \$725 when it was introduced in the Ford line about two years ago,

the price of the Fordor was cut \$40, when reductions were announced October 2, 1923, and now, much improved in appearance by better and more attractive upholstery and equipped with many accessories, the new reduction of \$25 brings this popular family closed car to the remarkably low figure of \$660.

The new list prices on Ford cars, F. O. B. Detroit, are as follows:

Fordor Sedan .....	\$660
Tudor Sedan .....	580
Coupe .....	520
Touring Car .....	290
Runabout .....	260
Ford Chassis .....	225
Ford One-Ton	

Truck Chassis .. 365

The new reductions affect all persons who are enrolled in the Ford Weekly Purchase Plan, as those who have not yet taken delivery of their cars automatically benefit by the reduced prices.

## Mint Canyon Juleps

The little daughter of Mr and Mrs Ory Brown is much improved in health, we are glad to report.

Messrs Mark and Roy Tony of Los Angeles were guests of their uncle, Henry Kreig over Sunday.

Miss Sara Whiteside was the guest of her parents, the Hopes, over Sunday, all attending Mint benefit dance.

Saturday, Mrs. Bernice Johnson of Los Angeles will address the Saugus Community Club. All ladies are invited. Don't miss this treat.

Mr and Mrs Virgil Rewick and little son Kenneth of Los Angeles, were one day last week the guests of Mrs Rewick's parents, the Johnsons.

The new dirt road that is being made by a dozen men, in Upper Soledad, is making rapid strides toward completion. Mr. Hubbard of Acton, is in charge.

Mr and Mrs Miller, associated with the Church Federation of Los Angeles, were pleasant visitors at the J K Shappee home and the Mint Canyon school last Thursday.

Mr. Neff, of Los Angeles, who is a house guest of the Blums above Acton, accompanied the Misses Blum and brother to the Mint Canyon School benefit Saturday night.

Last Sunday George Schaeffer and Leslie Wright attended the matinee at the Metropolitan, Los Angeles, where "North of 36" is being played. Returning home, they stopped at Glendale, bringing with them Mrs. Schaeffer and Sonny, who had been visiting with relatives and friends for several days.

Emil Gipp has sold his 160 acres of improved land located in the Sierra Pelona Valley. We understand the Italian purchaser will set the place to grapes. The ranch contains a nice family orchard and vineyard. With the present water supply and good house and barns, makes this a very desirable country home.

### Dance A Success

There was some disappointment expressed at the Mint Canyon

school benefit last Saturday when the pianist, Mr Dorris Johnson of the Buzzard Gulch orchestra, failed to appear. On account of the recent rain, Tony Held was unable to get over the hill from Sterling with his traps and drums. So that left Edwin Johnson with the saxophone doing valiant work by blowing harder than ever and Leslie Wright to tickle the ivories. It is to these two boys credit is given for putting the dance over in such a successful manner. Those who left before the dance really started don't know what a treat they missed. Surprise then applause when this two man orchestra made debut was something worth while. The music, to put it mildly, was "snappy" and full of "pep." "Coming thru the Rye" and "Versuviennne" were loudly applauded and to say they all enjoyed it is a mild expression. After sandwiches, cake and coffee had been served gratuitously, dancing was resumed. The evening was a social success. Appreciation for special donations is extended to Miss Leurie Gardner of Los Angeles and Mr Blum of Acton. The orchestra boys, Edwin Johnson and Leslie Wright have the sincerest thanks of the school board for having saved the evening in such a creditable manner. The kiddies in turn wish to express their gratitude to the public for making it possible by its generosity and patronage to enjoy the piano that has recently been placed in the schools by wishing every body a Merry Christmas.

Jimmy Jones says he thinks Noah pulled a boner when he took those two civet cats into the ark.

Pat Mullen innocently inquired in the postoffice the other morning if any one had heard of the woman getting drowned at Castaic the night before.

"How did it happen?" inquired the reporter, scenting an item.

She fell thru the mattress into the spring," said Pat.

And then he jumped on his 0-lean wagon and started off so fast that the rock thrown at him only broke the tail-light.

"Fatty" Arbuckle is said to be about to be married. Doubtless his kind treatment of his first wife, after she had helped him to get out of that murder scrape attracted his new fiance.

Some folks' idea of a good time on Sunday seems to be to see how far they can make the car go, and get back home the same day.

With all the new refreshment stands one can eat with every little step.

If this "absent" photography continues, we will have to get a marcellé before going to the telephone.

A lot of American toiks must be afraid to stay rich. So they go to those European gambling places and get poor. Most of the time they get too poor to get back home. And nobody grieves much.

A 200-pound fish was landed at one of the beaches the other day. According to the news items, some Los Angeles flapper lands a 200-pound fish, nearly every day. The one pulled out of the ocean was cut up and divided among the people in the crowd. Some of the other kind seem to feel as if they were also cut up and divided, when they hear the court divide their earthly possessions between their wives and the lawyers, in the divorce suit.

Some of those Los Angeles autoists who get fined for speeding come out into the country and take their grudge out on us poor country, by breaking all the traffic rules, and sending us home with a case of "nerves."

Couple was married by radio the other day. Wonder if they'll get the divorce the same way?

**He Brought The Bear**

A Montana ranger tells this bear story:

Some eastern tenderfeet came to hunt bear. Nothing but bear, and the bigger the better. I told them there was a big one at the top of the mountain, as fierce as he was big. Away they went with their high-priced rifles. They soon came back on the lope, guns thrown

away and intent only on getting back into the solid cabin.

I abused them shamefully for their cowardice and then told them I would show them what a real western hunter was. So I packed my high-powered rifle along and started off up the ridge. Honest I didn't know that old silvertip was half as big as he proved to be nor half as mean. Pretty soon I was coming down the trail, gun thrown away, and putting all steam into the race. As I neared the cabin there stood the tenderfeet watching my approach. I yelled to them as I got within hearing distance: "Now you cowardly loafers, open the door; I'm bringing this bear down alive."

Several new buildings are planned for erection in the near future. Newhall promises to make a lively growth during 1925.

As will be seen by the notice to contractors of the want ad page the new school house will soon be let for construction. It is hoped that a bid will be received permitting it to be of the full size wanted. And to one not very well posted on building costs, it looks as though it ought to be built for the money available. But, of course, the big outstanding fact is that we're going to have a new school house the equal of any, with plenty of room to grow.

## Millions Now Living Will Never Die!!

### You May Be One of Them

That such a time would come in earth's history is the testimony of the Bible, the prophets, our Lord Jesus, and the apostles.

In the 24th chapter of Matthew our Lord Jesus mentions more than 20 events as signs to point out the time when millions living would not need to die.

This booklet examines these signs and identifies the events which in fact are transpiring before our very eyes. It cites the Bible references so you can prove the proposition for yourself.

There 17 pages of Bible citations in substantiation of the claim that millions now living will never die, together with brief words connecting the passages with the main theme.

A subject of such immediate interest to every person living is surely worth one evening's time for investigation.

## Notice to Contractors

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Newhall School District of Los Angeles County, California will receive bids for the erection and completion of a six room and auditorium School building located on property owned by said School District at Newhall, California.

Bids are to be taken on the work as follows:

1. General contract work.
2. Plumbing contract work.

Each bid is to be in accordance with plans and specifications prepared by Arthur W. Angel, Architect, now on file with R. R. Carr, Clerk of the said School District.

Each contractor will be required to deposit 10 dollars on plans taken, which deposit will be refunded when plans are returned in good condition.

Each bid shall be made out on a form similar to that inclosed in the specification and must be accompanied by a certified or cashier's check or bidder's bond (issued by a surety company accredited by said Board of Trustees) for five per cent of the amount of the bid made payable to R. R. Carr, Clerk of said Board of Trustees, shall be sealed and filed with said Board on or before Dec. 29th, 1924, at 7 o'clock, P. M., and will be opened in public soon after that hour at the present grammar school, Newhall, California.

The above mentioned check or bidder's bond shall be given as evidence that the bidder will enter into contract, if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the said Board of Trustees.

The successful bidder will be required to furnish bonds of a Surety Co. satisfactory to the Board of Trustees covering an amount equal to 75 per cent of the contract price. Said bonds to be delivered within three days after having been awarded the work by the said Board of Trustees.

The Board reserves the right to reject any and all bids.

By order of the Board of Trustees of the Newhall School District, Los Angeles County, California.
