PRESENTS THIS WEEKS DRIVER PROFILE

Dan Press

After winning 15 main events, several trophy dashes and setting fast time over 20 different nights at the Super Track, a driver deserves to be Track Champion....and that's what Dan Press did during the 1978 racing season. In addition to that he's traveled all over the Western states practically, racing on several tracks in his 8 year racing career. Of course that doesn't count the 1/4 Midget racing from 10 to 13 years of age or the bike racing for a year or two after that.

Dan's also a native of Southern California, born in Burbank on January 30, 1949. He graduated from Hart High School, Class of '66. Currently employed as a machinist for Electrofilm, the same company producing Electro Helmets. Dan Press and Bill Droege, also of Electrofilm, both own the number 25 Modified car. They call it "P.D.Q. Racing". Conrad is crew chief and Sal, Lizzard, and Anthony make up the rest of the crew. Dan and wife Bonnie have one child, 11 year old Marquee. Dan's Mom and Dad are at the Super Track every night he's behind the wheel.

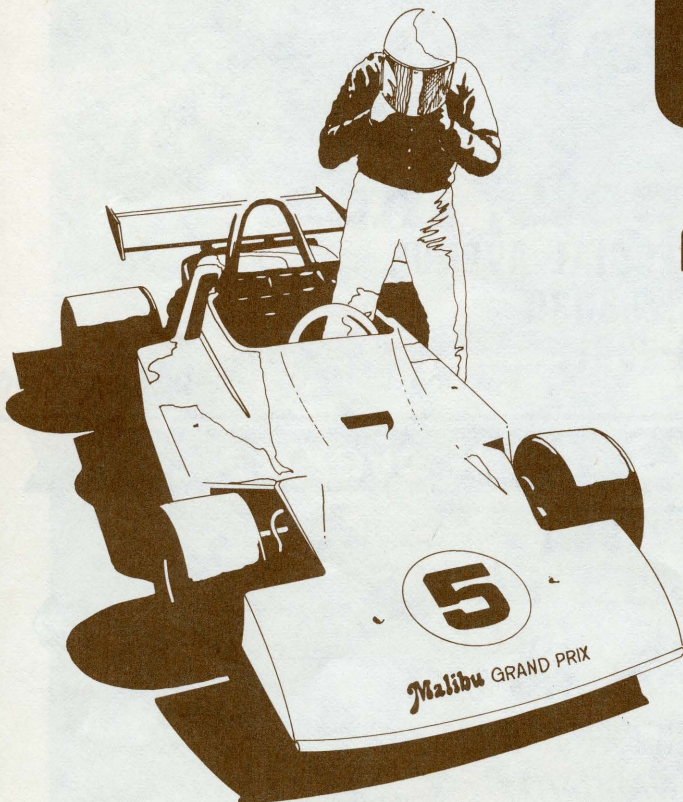

As has been my practice during these write-ups on drivers, I've been asking about their worst and best experiences since they started racing. For Mr. Press, his first altercation with the crash wall was the worst. Did lots of damage to the Chevelle, but fortunately no injury to Dan. His first year, 1973, ended with Dan winning Rookie of the Year honors. His best experience to date was winning the '78 Championship here at Saugus.

When it comes to getting the horse power to the track, Dan Press has proved to be one of the best and not just for his own car, but for several others as well. In his words, "I just like to experiment with the suspension. The only way to get good at it is try different things."

Keep an eye on the black #25 Modified, currently in second place in the points standings, at the time of this writing that is. I'm sure you, the Super Track fans have as big a thank you for Dan Press as he does for you.

Thanks Dan!

"ROAREN" OREN PROSSER VICTORIOUS AT SAUGUS SPEEDWAY"

"Roaren" Oren Prosser, five-time former "Super Track" champion drove the Precision Instrument Repairs Camaro to victory in the feature 40-lap Modified main event Saturday night at Saugus Speedway. It was the first regular-season feature win for Prosser since his last championship year of 1972. Valencia's Gary Johnson won the Sportsman 30-lap main, Jim McAlister, Chatsworth, took the 25-lap stocker oval event and Ken Christian, Canyon Country, was awarded the victory in the 15-lap Figure Eight finale.

Prosser, in scoring his victory, jumped into the lead on the first lap from his inside, second-row, starting position and held a comfortable quarter to half-lap lead most of the way.

Mike Willard, moving into the second-poace spot on lap 17 "chased" Prosser the final twenty three circuits on the flat third-mile paved oval finishing about four car lengths back.

Dan Press, '78 Saugus champion, set a new one-lap qualifying record of 16:21 in the PDQ Racing Camaro and his third-place finish boosted him back atop the Modified point standings.

Jim Inlolo, '68 Saugus champion, came in fourth, Ken Sapper, La Crescenta, was fifth and Ken Davis, West Covina, sixth. All were running on the lead lap when Prosser flashed under the checkered flag.

Johnson's victory in the Sportsman main was his third of the season and earlier in the evening he set fast time of 17:53, equalling the current record and also drove the Durbin Inc. Camaro to victory in the Sportsman dash.

Chris Falconer, Sepulveda, making his first driving appearance this season, finished second after "pressuring" Johnson the final laps. Falconer was "substitute driving" the Mickey Bell Buick for vacationing John Covan, the current Sportsman champion and point leader.

Tom Reilly, Azusa, came in third, Ron Hornaday Jr., Simi, fourth and Roman Calczynski, Van Nuys, fifth. Bruce Erickson, Canoga Park, finished in sixth and all were running on the lead lap.

Jim McAlister, Chatsworth, registered his first stocker oval feature win of '80, ahead of Bill Sedgwick, Van Nuys, and Ken Bosse, Sylmar, who set fast time for the stockers. McAlister and Bosse also won earlier heat races.

Pamm Woodside, Saugus, finished fourth, her best showing yet in her first year of stock car racing.

Dave Harrison, Sylmar, was first to cross the finish line in the Figure 8 main but was later set down one position for passing "under the bumps" giving the win to Ken Christian, Canyon Country.
