PRESENTS THIS WEEKS DRIVER PROFILE

Bill Sedgwick

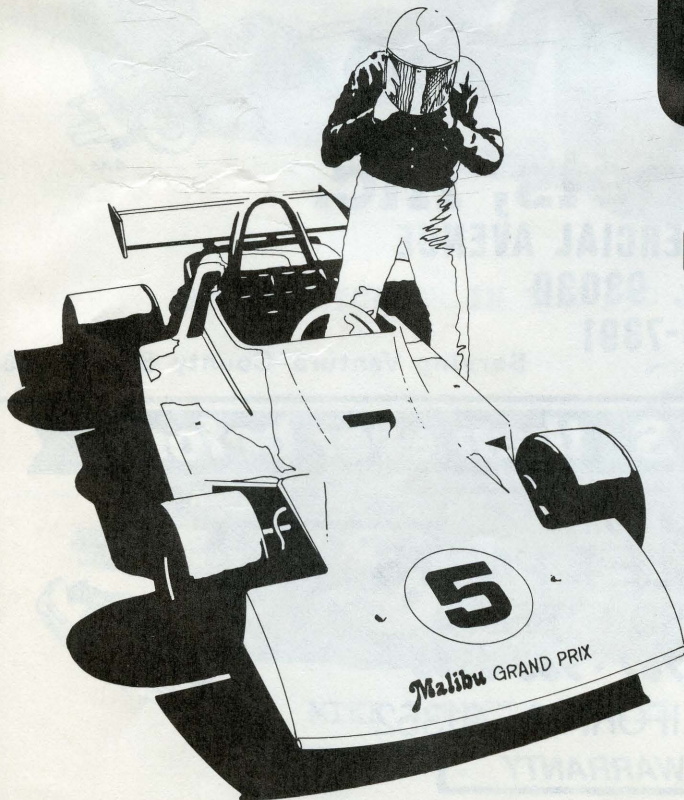

Tonight's driver profile features one of the younger men behind the wheel, Bill Sedgwick. At the time of this writing Bill's in 4th place in the Street Stock championship race. Last week he won his second race ever, the Street Stock Trophy Dash. The first win came on May 17th, another Trophy Dash. You see, Bill's only been racing since early last year.

Bill impressed me as being a reserved, slightly shy type of individual. Although our talk was brief and all we talked about was racing, this was my first impression. Don't misunderstand, Mr. Sedgwick knows what he wants and he's very aggressively going after it. In January of this year, he went out and bought himself a Grand National car from Jack Simpson. Make sure you keep this in perspective, Bill's 25 years old, only been racing 10 months or less and he owns a Grand National Car. The first time out at Ontario he qualified 23rd, and finished 19th out of 35 cars...not too bad for a first timer. Unfortunately, the last time out at Riverside, he didn't do as well, which is the way it goes in racing. It was rather comical as Bill related the experience to me. "It was during practice when the engine blew and caused the guy behind me to spin. I thought I was really in trouble when I saw Daryl Waltrip going by me backwards."

Bill's originally from Portland, Oregon, born on March 19th. He came to California at the age of 5 and it's been home since. He graduated from John Marshall High, class of '73 and has been working as a mechanic at A-1 Automotive in Hollywood for the past 7 years. See what I mean about reserved, not too many guys his age can talk of that kind of time at one job. I have to admire character like that.

As for a 'worst experience', Bill lost a hub during a race last year and hit the turn three wall pretty hard. Not much more was said about it, it's human nature not to dwell on bad experiences. In little more than a year and a half, Bill Sedgwick has gone from spectator in '78 to Grand National car owner & driver and to major contender here at the Super Track. Thanks Bill, I'm sure the fans will be seeing #25 in a lot more trophy presentations.

INCREASED H.P., LONGER LASTING, FUEL ECONOMY.

The better your oil lubricates, the more efficiently your engine will perform...the more MPG it will deliver. BSO 100 has been proven superior for cars, race cars, boats, tractors, heavy farm and industrial equipment, and off-road vehicles. BSO 100 is the economic answer to your total fuel needs. • *Fewer oil changes* • *Fewer "top-offs"* • *Reduces maintenance* • *Longer life for engine wear* • *Reduces oil consumption.* BSO guarantees your car's gas mileage will increase at least 10% after 5,000 miles of driving with a full crankcase of BSO 100 and a new oil filter—or your money back.

"PROSSER WINS SECOND STRAIGHT AT SAUGUS SPEEDWAY"

Simi's Oren Prosser scored his second win in as many weeks driving the Precision Instruments Repair Camaro to victory in the feature 40-lap Modified main event Saturday night at Saugus Speedway. Tony Balzano, also from Simi, collected his first stocker main in the 25-lap oval event and Ken "Bozo" Bosse, Sylmar, "zig-zagged" to victory in the figure eight 15-lap finale, also his first feature win of '80.

Prosser, the five-time champion of Saugus Speedway, replaced early leader Ken Davis, West Covina, on the sixth lap and held a comfortable quarter-lap lead until a yellow flag interruption on the 21st circuit. On the re-start, Dan Press, Arleta, and Jim Robinson, Sylmar, maneuvered past Davis and set their sights on "Roaren Oren".

The final fifteen laps was a "bumper to bumper" battle of champions with Prosser taking the checkered a car-length ahead of Press leading Robinson by a similar margin. Press and Robinson were the '78 and '77 Saugus champions.

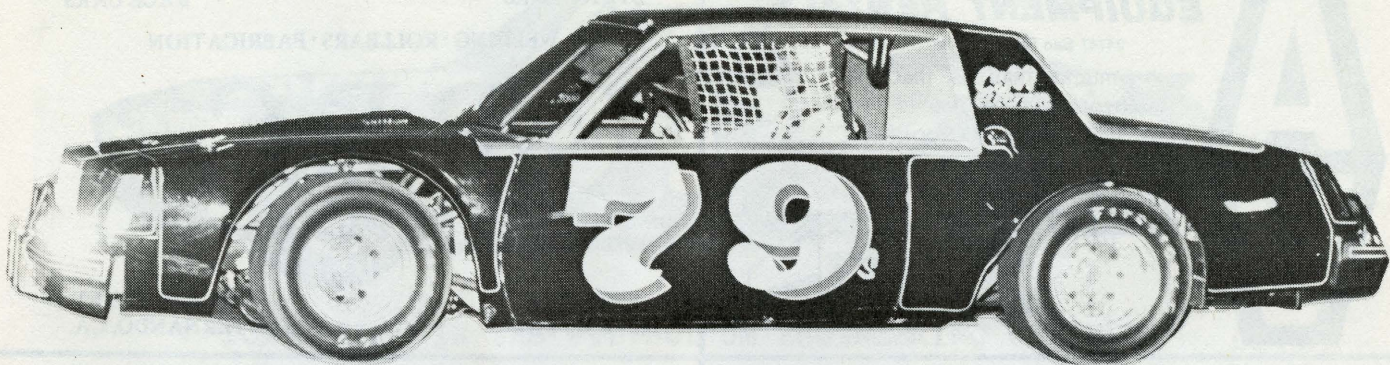

Press, in the PDQ Racing Camaro, set a new one-lap qualifying record for the second week in a row, lowering the mark to 16:18, a speed of 74.17 around the Super Track's flat one-third mile paved oval.

Mike Willard, Reseda, finished fourth, Davis was fifth and Ken Sapper, La Crescenta, trophy dash winner was sixth. Press and Chuck Wahl, Burbank, won earlier heat races.

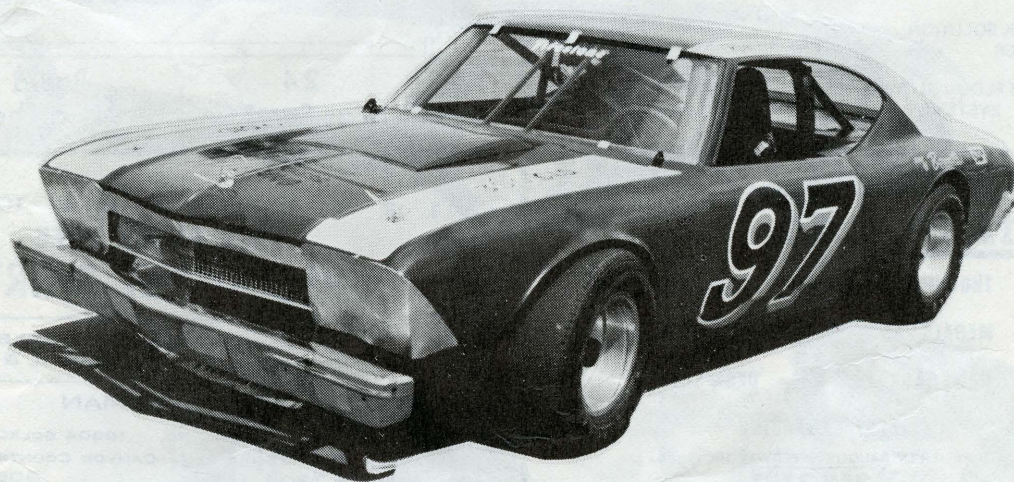

Balzano, in scoring his victory, moved to the lead on the tenth lap from his inside-third-row starting position. Allen Thacker, Saugus, was running second and Jim McAlister, Chatsworth was in third. Fifteen laps later they finished in the same order with Dave Harrison, Sylmar in fourth and Tim Kerbrat, Reseda, in fifth. As in most stocker main events, fourteen of the finishers were still going for the win and running on the lead lap as Balzano flashed under the checkered. Balzano and Ken Christian, Canyon Country, won earlier heat races and Bill Sedgwick, Van Nuys, was victorious in the trophy dash.

Bosse lead from "wire to wire" in notching his first main win of the year. He also won the figure eight heat race and Rodney Peacher, Sepulveda, drove to victory in the trophy dash.

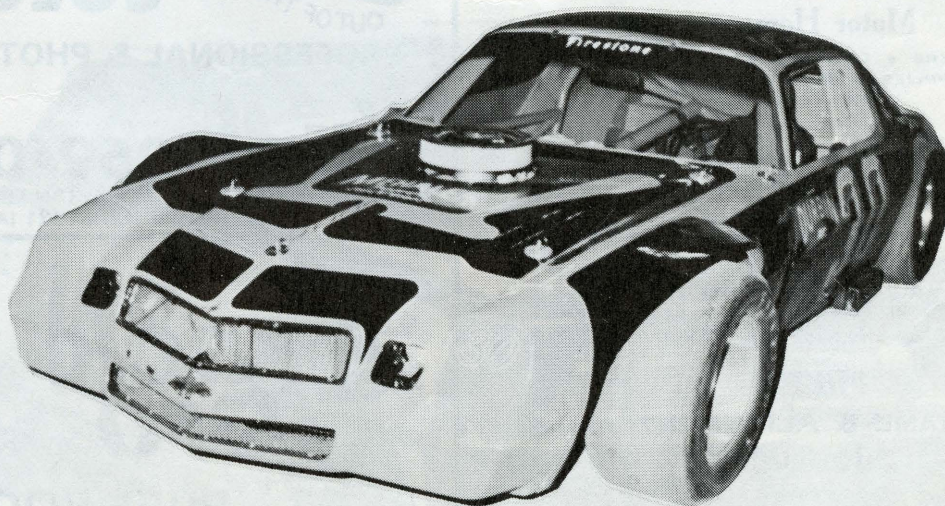

Six main events, twin Monzas for Sportsman, Street Stockers and Figure 8'ers headline Saturday nights action preceding a giant destruction derby finale.
