PRESENTS

"Page from the Past"

It's awards banquet time, the year is 1972 and here is a picture of the top ten drivers of that year at Saugus Speedway. The top ten were Prosser, Thirkettle, Fortier, Hattig, Burdett, Hamson, Foster, Dilger, Robinson and Insolo. All of them are not shown in this picture, evidently, the absentees were represented by other drivers. Can you match the names to those shown in the picture? Who was not there, and who were their "stand-ins"?

"HORNADAY, CALCZYNSKI, HOOPER & BOSSE WIN AT SAUGUS"

Ron Hornaday Jr., Simi, won his second straight 40-lap Modified main event Saturday night at Saugus Speedway and Roman Calczynski, Van Nuys, added to his Sportsman point lead by winning his seventh Sportsman feature of '81. In other action, Ray Hooper Jr., Valencia, registered his 4th stocker oval triumph and point leader Ken Bosse, Sylmar, won his ninth figure eight 15-lap main event.

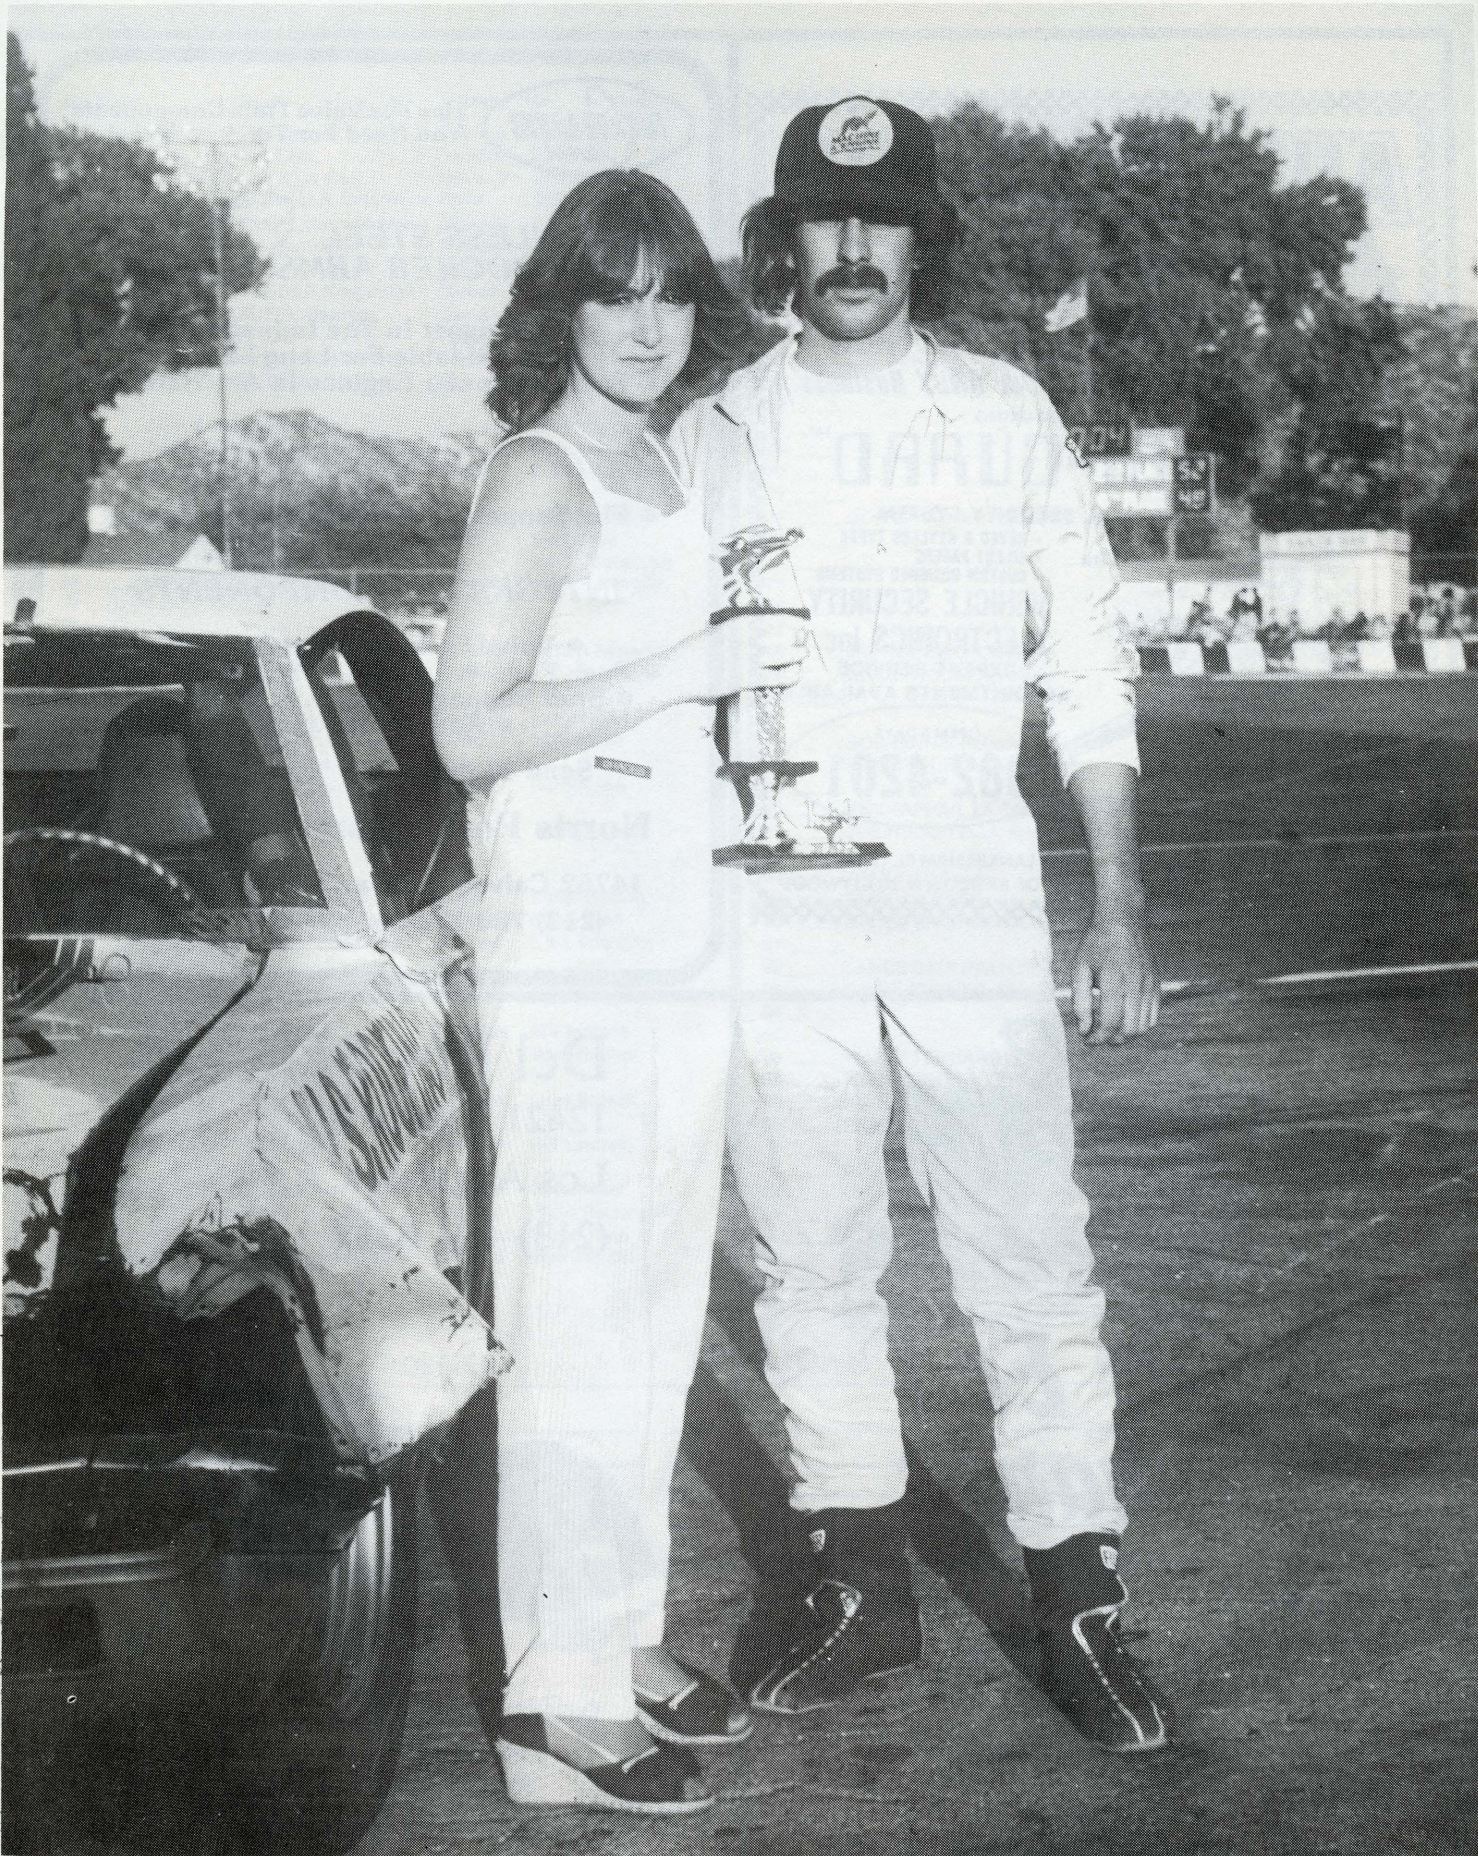

Current point leader and former champion Tru Cheek, Sylmr, was leading the Modified main event and appeared to be headed for victory when near-disaster struck. On a re-start after a caution delay, Cheek roared toward the first turn only to discover that another car, pitting with a flat tire, had cut across the infield to head into the pit exit located at turn one. Cheek skillfully maneuvered to avoid the obstacle and chose to use the pit exit as an "escape" route. In so doing, he struck the protective hay bales, glanced off the wall, grazed an official and struck several pit-side spectators. No serious injuries were sustained in a situation that could have ended in tragedy. Cheek's Camaro suffered major damages and ended his quest for victory. Hornaday led the final three laps to take the win.

Calczynski took the lead from Bill Sedgwick, Van Nuys, on lap ten and fought off challenges by Steve Colbert, Mission Hills, Joe Astone, San Fernando and Sedgwick in winning the 30-lap event. Sedgwick, second in the points race, finished second, Colbert, third, Ken Sapper, La Crescenta, fourth and Astone.

Hooper led wire-to-wire in his 25-lap stocker oval triumph as nine cars finished on the lead lap. Jim McAlister, Chatsworth, fast stocker time setter, was second, John Redmond, Saugus, third, figure 8 dash winner David Hard, Newhall, was fourth and Kevin McCurdy, Ventura, was fifth.

Bosse replaced early leader Bryan Hayden, Canyon Country, on lap five and led the rest of the way in the 15-lap figure eight finale. Hayden held on for second, Scott Klassen, Ventura, was third, Hard was fourth and Mitch Thompson, Sylmar, was fifth.

Hornaday won the Modified dash, Jim Kent, Saugus, triumphed in the Sportsman and Tim Kerbrat, Sylmar, was first to the checkered in the stocker oval trophy run.

Why Add Insulation?

Because of the nation's shortage of fuel, home owners are faced with much higher fuel costs. Most homes do not have ample insulation. Spending money for insulation will save many fuel dollars. In just a few years you can save the cost of the insulation.

*NEW 40% STATE TAX CREDIT

* Buy residential attic insulation now and you may qualify for 40% of the purchase price as a state income tax credit! (Up to \$1500.) Less any federal tax credit and/or utility subsidy.

PLUS if you contract with us for 600 sq. ft. or more of R-11 or R-19 ceiling insulation that brings your entire accessible attic area up to R-19 standards of thermal resistance, you can qualify for \$50 back in cash and apply for **8% (Annual Percentage Rate) low cost financing**. This offer is valid for Southern California Gas Company heating customers only. Ask us for details. Call
